**Happiness of Olden Days.**  
In the days when a Maypole stood in the Strand, music was one of the great pastimes of the people of merry England. Those were the times of good Queen Bess and her Stuart successors. The cittern was heard in every barber's shop: "Go into a barber's anywhere, no matter in what district, and it is ten to one you will hear the sounds either of a fiddle or a guitar, or see the instruments hanging up somewhere." The barbers or their apprentices were the performers: "If idle, they pass their time in life de-lighting music." So writes a pamphleteer in 1597.

## National Mazda Lamps

**H**AVING too little light puts a strain on children's vision that they may never outgrow! Why not have plenty of light? National MAZDA Lamps give three times the light of old-fashioned carbon lamps without adding a penny to your light bill.

## ILLINOIS VALLEY

A. I. Reynolds died at his home near Waldo on Wednesday, September 4th, aged 79 years. Mr. Reynolds came to Oregon many years ago from Kansas, being in his young manhood, a pilot on the Missouri river. He is survived by a widow and four children, Charles, Ernest and Valls Reynolds, of Waldo, and Mrs. Jacob Houck, of Holland. He was laid to rest in Kerby cemetery on Friday, Sept. 6.

The sale held by W. A. Doney was very successful, everything bringing topnotch prices.

Mrs. Annie Wilmer has gone to Grants Pass to make her home.

Mrs. S. S. Morey and children have returned to Takilma after a month's visit with Mr. and Mrs. Lester Schleigh, of Glendale. She reports the arrival of a new daughter at the Schleigh home.

Threshing is about completed in the valley, and the grain yield is reported as considerably larger than last year.

A number of ladies met at the home of Mrs. Pfefferle this week and spent the time in canning fruit and vegetables for the family. Mrs. Pfefferle is unable to walk as a result of an auto accident, while Mr. Pfefferle is confined to his bed with a severe attack of erysipelas.

George Strong met with an accident Sunday which caused the loss of the most of his right hand. While carrying a loaded shot gun it slipped and fell, the charge going through the hand. The gun was so close to Keith Owen that the shock threw him to the ground, several shot going through his hat. Dr. Dixon attended the wounded boy, who is getting along nicely.

## OBITUARY

**Alva I. Reynolds.**  
Alva I. Reynolds was born in New York in 1832, and died at his home in the Illinois valley September 5, 1918. He came west in 1852 via the Isthmus of Panama and has been a continuous resident of this coast for 66 years and resided at his ranch on the upper reaches of the Illinois river for the last 35 years. "Pappie" Reynolds, as he was familiarly called, lived to a ripe old age, and in many ways was a remarkable man. Only a short time ago he walked from his home to Grants Pass, a distance of 45 miles, in one day. It is said that he visited more sick and afflicted, and succored more destitute and needy, and helped bury more friends than any other man in Josephine county. His home never knew a lock and key and his hospitality knew no strangers. He is known as a good man and a close friend and neighbor.

Besides his wife he leaves five children to mourn his loss: Mrs. Corn Brooks, of Banff, Canada; Charles, Ernest and Valls Reynolds, of Waldo, and Mrs. Jacob Houck, of Kerby.

The funeral and interment were at the Kerby cemetery September 6.

**New Copper District in Canada.**  
A great new copper district in Arctic Canada is a possibility pointed out to the Royal Society of Arts, London, by W. Frecheville. The locality is east of Great Bear lake, along the Coppermine river, which runs north from about 65 degrees latitude to Coronation gulf, and the area may extend as far east as Bathurst Inlet, and even to Victoria Island farther north. The first specimens of native copper were obtained from the Eskimos, who were using the metal in their primitive industries. Explorers have since reported finds of copper, and evidences of large deposits.

Sheriff

# COURIER BARGAIN DAY

**ONE DAY ONLY WEDNESDAY SEPTEMBER 18**

Notwithstanding the greatly increased cost of producing a newspaper the Daily Courier Bargain Day will be a real Bargain Day—the day when Courier subscribers save money.

Courier Bargain Day occurs on September 18, the Anniversary of the establishment of the Daily issue of the Courier. On that day, and that day only, the price for one year's subscription is reduced to

**FOUR FIFTY**

4th TO 8th POSTAL ZONES FIVE DOLLARS

Strictly in advance. Present subscribers may take advantage of this opportunity to save money if their subscription is paid to at least September 1; others may secure this privilege by paying all arrearages at the regular rates.

These rules are held to strictly, and no subscription will be received at the reduced rate after the 18th unless sent by letter, the postmark bearing the date of the 18th.

To accommodate those who can not rely on their own memory, we will accept checks now, but they will not be cashed nor receipts issued until the 18th, although subscriptions may start at any time.

**\$6 per year** **BARGAIN DAY** **Saves you \$1.50**  
**50c per month** **Saves you 25%**

The War Industries Board now requires newspapers to stop sending papers where subscription is in arrears so if you want this paper to continue you must arrange for payment.

Last year a number were disappointed, owing to forgetfulness, and were obliged to pay the regular price. This year they will remember, but others may forget. If you forget, it costs you money.
