

FINE BIG DINNERS FOR RED CROSS CARNIVAL

Not the smallest feature of the Red Cross carnival September 27 and 28 will be the big dinners given in the Chamber of Commerce rooms. The ladies having charge of the dinners are all graduates in the culinary department, so the success of the dinners are assured.

Friday's dinner is to be a chicken dinner with all the good things that go with it and on Saturday there will be a regular New England dinner.

It is desired to turn into the Red Cross funds as large a sum as possible and any one who has fruit, vegetables, flowers, milk, cream and butter to spare, is urged to send it to the Chamber of Commerce rooms to be used for the dinners. The financial success of the carnival depends on each one, so "Do your bit."

HIGH SCHOOL NOTES

All signs point to a particularly promising year for the high school. There were many changes this term, not only in the faculty, but in the student body and although the number enrolled is less than in the past for many years, the students have an enthusiasm and earnestness which is remarkable. The call for educated men and women has left the students with a purpose in their work.

The faculty realize the necessity of conforming the curriculum to the times. So the subjects offered are especially suited for preparation for national service.

French has been introduced into the course of study. Superintendent J. G. Imel has two large divisions in the subject. This has proven to be one of the most popular subjects offered.

The commercial department with its enrollment of 50 students, is helping to fill Uncle Sam's plea for more clerical workers. With a diploma from this department a student is fitted to fill a government position.

Special emphasis is being laid on physical drill. Superintendent J. G. Imel is giving the students the same military formation as given in the training camps. General gymnastic work is being done under the supervision of Mrs. Laura Thomas Gunnell. Military marching is required at all times and the singing procession will be inaugurated in the near future.

School hours will be changed back to the old schedule on Monday. Students will report at 8:45 a. m. and be dismissed at 3:40 p. m. with an hour for lunch. The change was made because of complaints made by the parents as to the early hour of taking up school.

Class meetings were held by the respective classes Friday afternoon to make plans for the year and elect their officers.

Following is the list of officers for the different classes:

Seniors—Miss Katharine Bridges, advisor; president, Dick Cramer; vice president, Pauline Swacker; secretary, Arnold Meier; treasurer, Florence Bockock.

Juniors—Mrs. Laura Thomas Gunnell, advisor; president, Carl Hannum; vice president, Vernetta Quinlan; secretary, Carlotta Wiseman; treasurer, Royston Lacy.

Sophomores—Miss Edna Cornell, advisor; president, Harold Isham; vice president, Remoh Tryer; secretary, Annie Dungerey; treasurer, Charles Hollowell.

Freshmen—Mrs. Edith Parent, advisor; president, Waldo Baker; vice president, Gretchen Clemens; Secretary, Mable Peterson; treasurer, Eugene Murphy.

K. of P.'s to Medford—
A number of the local K. of P.'s will go to Medford this evening where that lodge expects to have a grand time.

A Nice, Clean Jail—
Sheriff Lewis reports business very poor—he has no boarders at the county bastille. In fact no boarders have shown up for about a week, therefore the sheriff has made a strong pull to get business by thoroughly scrubbing out the jail and now has it nice and clean, ready for occupancy by anyone looking for a home.

A Rousing Meeting—
Major Hamilton and L. J. Simpson, who spoke at Kerby last night, were greeted by a crowded house, much interest being manifested in the coming Liberty loan drive, while Major Hamilton held the audience's closest attention in his descriptive talk about conditions on the western front.

"To Hell With the Kaiser"

Story—"To Hell with the Kaiser" shows the way in which Wilhelm II plunged the world into war. The fortunes of an American family are followed in the story and in revenge for the ghastly fate of her little sister in a Belgian convent, Alice Monroe brings about the downfall and death of the kaiser, with the aid of an American aviator. A beautiful love story runs through this powerful narrative.

GARMENTS NEEDED

We have been called upon by the Northwestern Division at Seattle to organize Josephine County at once for the purpose of collecting during the week of September 23 to 30, one ton and a half of used clothing for the benefit of the imprisoned people of Belgium and France, who are facing shame, suffering, disease and some of them death, for the lack of clothing this winter.

THE KIND OF GARMENTS NEEDED

Every kind of garment, for all ages and both sexes, is urgently needed. In addition, piece goods—light, warm cotton flannel and other kinds of cloth from which to make garments for new born babies, ticking, sheeting, and blankets, woolen goods of any kind—and shoes of every size are asked for. Scrap leather is needed for repairing footwear.

Since the clothes will be subjected to the hardest kind of wear, only garments made of strong and durable materials should be sent. It is useless to offer to any afflicted population garments of flimsy material or gaudy coloring. Make the gifts practical.

Garments need not be in perfect condition. A hundred thousand destitute women in the occupied regions are eager to earn a small livelihood by repairing gift clothing and making new garments adapted to needs with which they are familiar.
