

FATHERS KILLED IN GUN BATTLE, TWO SONS IN JAIL

Los Angeles, Sept. 24.—One alleged automobile bandit was killed, another wounded and two deputy sheriffs narrowly escaped death yesterday in a battle which brought an end to what the officers declared was the criminal career of a father and two sons. The dead man was Charles Hara, a machinist of this city. One of his sons, Arthur, who was seriously wounded, is in the hospital. His other son, Frank, 18 years old, is in the county jail.

UNCLE SAM HIMSELF, WORLD'S TALLEST, HERE

Grants Pass people are straining the rubber in their necks today, trying to see just how high Mr. Madsen who is putting on the big patriotic show at the Joy tonight, really is. They guess his height all the way from seven ten to ten feet. Mr. Madsen really measures seven feet six and he is 21 years of age. He appears as Uncle Sam in the Slacker's Heart feature at the Joy tonight for two shows only. Uncle Sam is the tallest man in America today, and his moving picture feature, from the praise of the Seattle and Portland papers, is the greatest on the road. No doubt everybody in Grants Pass will want to attend the Joy tonight. There will be two performances, starting earlier than usual to accommodate the crowds. Come out and shake hands with Uncle Sam himself.

The Cottage Grove Sentinel has the following to say about Mr. Madsen:

Some matrimonially inclined young woman who wants a man whom she is certain she can look up to and one big enough and tall enough to overlook all her faults would do well to make the necessary arrangements with R. E. Madsen, who has just passed his 21st birthday, has never yet yielded to feminine wiles, measures 6 feet and 18 inches in height and can reach his height. Just think of a 7 1/2-foot hug!

He has never been kissed because he can't find a girl who can reach his mouth. He has never held a girl on his lap because when seated in an ordinary chair his lap is an extremely inclined plane and rather uncomfortable for that kind of amusement.

Madsen was born at Norfolk, Neb. His father is 6 feet 2 inches in height and his mother 6 feet. He has a brother and a sister both of whom are six feet in height. Madsen's extreme height of 7 1/2 feet was attained at 20 years of age.

700 Pages of Brief—

Attorney A. E. Reames leaves tonight for Salem where he will make final arguments in the case of Sweeney vs. Jackson county over the construction of the Siskiyou section of the Pacific highway. The case has been before the courts for three years. Sweeney suing for \$140,000 against \$35,000 allowed by the state engineer, and securing an award of \$70,000 by Circuit Judge Davis in Portland, from which decision the county appealed. 760 pages of brief have been filed with the court.

Drill Monday Night—

The next meeting of the local military training school will be held at the courthouse next Monday night. A full attendance of members is urgently requested by the officers of the organization, who are anxious to increase the membership. If you come within the present draft, a course at this school will eliminate you from the "Awkward Squad."

Butter Fat 63c—

Through an error in this office the price of butter fat was quoted on Monday at 64 cents. The price is 63 cents and is the price being paid by the Mutual Creamery company by B. F. Skillman, agent.

Remember the Place—

The Red Cross Bazaar will be held in the courthouse basement. 73

Horning Stung—

The light-fingered bunch now sojourning amongst us did not pass Herman Horning by. He states that they swiped two candy tubs which he had placed at the rear of his confectionery. "I wanted to hoverize," says Mr. Horning, "and placed the tubs outside so the bees could eat the honey from the sides of the tubs, but the tubs disappeared." Evidently Horning was stung.

Clocks Back, Not Ahead—

An error was made in Sunday's Courier in stating that all clocks would be turned "ahead" one hour at midnight, September 30. All clocks will be set "back" one hour in accordance with the daylight saving law. This will again place time at standard. The law, which was put into effect April 1, set the clocks ahead an hour to give an hour extra in the morning during the summer, while they will now be set back to readjust the time, but the change will take place on Sunday, October 27, instead of September 30, as previously stated.

Appoint Committees—

The following committees have been appointed in connection with the weighing and measuring of children contest to be held Saturday, September 28, at the courthouse. Poster Committee—Miss Bernice Quinlan and Miss Genevieve Pattillo.
