

ANOTHER ALLEGED BAD CHECK ARTIST

Alfred Dimbat is one of the latest of those who have "slightly overdrawn their account at the bank." Mr. Dimbat passed through this city recently and purchased \$27 worth of automobile supplies from the C. A. Lynch store, giving a check in payment for the same.

At first Mr. Lynch hesitated in taking the check, but finally decided to take a chance. Through the efforts of Sheriff Lewis Mr. Dimbat was located at Newburg, Oregon, where he has been arrested and he will be returned to this place to answer the charge against him. He was driving a fine big car when he passed through Grants Pass.

MORE CLOTHING NEEDED FOR BELGIAN RELIEF

An urgent plea for more clothing is being sent out by the ladies in charge of gathering garments for the Belgians. The clothing is being received at the Odd Fellows building, but up to the present time less than 1,000 pounds has been gathered in while the quota for Josephine county is 3,000 pounds. Many have been mindful of the fact that the poor on the western front will suffer bitterly this winter unless sufficient clothing is sent across to keep winter's blasts from their bodies, but there are probably a great number who have not yet contributed who have old clothes, shoes, and all kinds of wearing apparel to spare. To these the appeal is made to bring the articles in at once or else notify the committee in charge. The time for complying with the request of the ladies is short, as the shipment will probably be sent to New York next Saturday.

One of the many good things tomorrow evening 6 o'clock dinner.

Private Coburn who has a six-day furlough, was accompanied by Sergeant G. A. Ruffe, also of Vancouver, who is away from the camp on sick leave.

Shipping Flame Tokays—
The shipping of Tokay grapes is now on in full blast and the crop in general is reported fairly good. E. L. Churchill has a force of about a dozen women packing the grapes for shipment, several orders having been filled today. The crop has colored well this year and compares very favorably with the California product.

To Look After Grapes—
R. R. Turner, receiver of the U. S. land office, went to Grants Pass today to look after his ranch there. He has quite a large vineyard there and the season is now on for harvesting the crop. Mr. Turner has always raised fine grapes and he expects to have quite a good sized crop this year.—Roseburg Review.

Furnish Rest Room—
The Parent Teacher Association will give, as a donation to the Red Cross carnival Friday and Saturday, a rest room and nursery in the parlors of the Methodist church, where mothers can bring their children and leave them. This room will be open from 10 a. m. until late in the evening, and a nurse with sufficient help will be in charge to take good care of the babies and children.

Silage Cutter Blows Up—
R. V. Hatfield, whose home is on South Deer Creek, was in the city Saturday, bringing with him a silage cutter that was almost completely destroyed Friday when, in some manner an explosion occurred, wrecking the machine and carrying some of the parts 100 yards distant. Mr. Hatfield is at a loss to know what caused the explosion and the expense of repairing the cutter will be quite large.—Roseburg News.

The Carnival—
Preparations for the big carnival to be given by the Red Cross September 27-28 are about completed and the affair promises to be one of the merriest events ever staged in the city. The committee on amusements states that a thousand and one surprises are in store for those who come and mingle with the throngs, and it will be a rollicking time from start to finish. The Red Cross ladies will also have a bazaar in connection with the carnival. Make arrangements to attend.

Picnic Supper Enjoyed—
More than a hundred friends of Mr. and Mrs. Harry K. Clark were at a picnic supper at the Presbyterian church Tuesday evening and thoroughly enjoyed the evening. After supper a musical program was rendered. Mr. and Mrs. Clark and baby expect to leave here about October 1 for Bridgeport, Neb., where Mr. Clark will have charge of a bank. He has been a resident of Grants Pass for the past eight years, being an employe of the First National bank during that time. Mrs. Clark has been prominent in musical circles here since her arrival some years ago.
