

## LOSES EIGHT SHEEP AFTER DIPPING FLOCK

H. N. Parker, of Selma, last week had the misfortune to lose eight sheep in a very peculiar manner following the dipping of his flock of 50 sheep. The first day after they were dipped one of the animals showed signs of illness and in the morning it was dead. The other seven died in the field the same day. He also lost five hens that had been eating off the carcasses of the sheep. Other chickens showed signs of sickness but seem to be recovering.

Mr. Parker states that the directions recommend using the sheep dip in the proportion of 72 to 1, but he used 50 to 1, as he had done on other occasions, and as many other farmers have done without serious results.

Mr. Parker brought samples of the dip to Grants Pass for examination and has notified the county agriculturalist in the hope of learning the real reason for the loss of his sheep.

## UNCLE SAM'S LONG ARM BRINGS BACK SLACKER

Panama, Sept. 26.—Although they fled from California through Central America to Venezuela to evade the draft, Robert and Benjamin Livingstone of Los Angeles, have been apprehended by agents of the American government. The men were arrested while traveling in Venezuela with their mother. They were under assumed names and had passports issued in San Salvador. The Livingstones will be returned to California.

Los Angeles, Cal. Sept. 26.—The Livingstone family consisting of Nathan M. Livingstone and Matilda Livingstone, the parents, three sons and two daughters, formerly owned and operated two shoe stores here and occupied a handsome home. The oldest son, George Washington Livingstone, left for Costa Rica, before the draft became effective; Robert left after registering, and his parents were indicted for having falsified his exemption claim affidavit. They evaded arrest on the indictment and the remaining son, Benjamin, and the two daughters, were arrested, charged with having assisted in such evasion.

It was found at that time that the daughters and Benjamin all had passports to San Salvador. The man was required to deposit his passport and \$10,000 bail for his appearance. The women's passports were also called in, and each of them required to give \$2,500 bond. They abandoned the passports, forfeited their bond and fled. They sold their properties here before leaving. The federal authorities here instituted a world wide search for them.

## TO PROTECT FURS AND WOOLENS FROM MOTHS

It is commonly known that moths very much dislike the odor of ink in old newspapers. Several thicknesses of old newspapers firmly glued together may be made into the form of a bag and the garment placed inside. After the ends and all joints are firmly sealed with glue, the bag is absolutely moth and dust proof, and your protection from moths has cost practically nothing.

## PERSONAL AND LOCAL

Mrs. M. S. Ryan, of Riddle, spent yesterday in the city with friends.

Tomorrow is tag day for the Christian Bible school. Get a free tag. 73

## DRAFT REGISTRANTS TO BE INSTRUCTED

All registrants in this county who can possibly do so should attend the meeting Friday night, September 27, at the opera house. This meeting is arranged by special order of General Crowder, and refers to all registra-

CAPT. RICHARD RUSSELL

trants between the ages of 18 and 45 who are not already in the service. The meeting is especially for the purpose of preparing men for camp life, and the government expects to save millions of dollars and many weeks of valuable time in preparing men for actual service. Captain Richard Russell, of the medical department at Camp Lewis, will be one of the principal speakers.

## FIRE DESTROYS HOME AND OTHER BUILDINGS

On Wednesday afternoon at about 4 o'clock fire broke out in the Jo Hill house, 12 miles down the river from Grants Pass, and destroyed the house and contents and then spread to the other buildings, including the barn, and all the buildings were destroyed. The fire originated from the stove pipe and as Mrs. Hill was at home alone it was impossible to put out the fire or to save the household effects, with the exception of a small amount of bedding, which Mrs. Hill was able to remove from the house.

## Leave for O. A. C.—

Five boys left the city today to attend the S. A. T. C. at Corvallis. They are, Reinholdt Schmidt, Eugene Moore, Roland Taylor, Donald Dimmick and Philip Merian. They were accompanied by Claus Schmidt.

College opens September 23, 1918

For catalog, new illustrated booklet, and other information write to the Registrar, Corvallis, Oregon

## KIDNEYS WEAKENING? LOOK OUT!

Kidney and bladder troubles don't disappear of themselves. They grow upon you, slowly but steadily, undermining your health with deadly certainty, until you fall a victim to incurable disease.

Stop your troubles while there is time. Don't wait until little pains become big aches. Don't trifle with disease. To avoid future suffering begin treatment with GOLD MEDAL Haarlem Oil Capsules now. Take three or four every day until you feel that you are entirely free from pain.

This well-known preparation has been one of the national remedies of Holland for centuries. In 1896 the government of the Netherlands granted special charter authorizing

its preparation and sale.

The good housewife of Holland would almost as soon be without food as without her "Real Dutch Drops," as she quaintly calls GOLD MEDAL Haarlem Oil Capsules. Their use restores strength and is responsible in a great measure for the sturdy, robust health of the Hollanders.

Do not delay. Go to your druggist and insist on his supplying you with a box of GOLD MEDAL Haarlem Oil Capsules. Take them as directed, and if you are not satisfied with results your druggist will gladly refund your money. Look for the name GOLD MEDAL on the box and accept no other. In sealed boxes, three sizes.

## The Choice of Those Who Know

Manufacturers and leading motor car distributors recommend ZEROLENE. The majority of motorists use ZEROLENE.

ZEROLENE reduces wear and gives more power because it keeps its lubricating body at cylinder heat. Gives less carbon because, being refined from selected California asphalt-base crude, it burns clean and goes out with exhaust.

ZEROLENE is the correct oil for all types of automobile engines. It is the correct oil for your automobile. Get our lubrication chart showing the correct consistency for your car.

At dealers everywhere and Standard Oil Service Stations.

STANDARD OIL COMPANY (California)

## Correct Lubrication for the "V" Type Engine

This, the "V" Type of automobile engine, like all internal combustion engines, requires an oil that holds its lubricating qualities at cylinder heat, burns clean in the combustion chambers and goes out with exhaust. Zerolene fills these requirements perfectly, because it is correctly refined from selected California asphalt-base crude.

## ZEROLENE The Standard Oil for Motor Cars
