America first in our battle cry.
America forever, march song.
A-M-E-R-I-C-A means I love my na-
tive land.
America needs you like a mother.
Am I a butterfly.
And then she'd knit, knit, knit.
And they called it Dixie Land.
Any little girl can make a bad man
good.
Are you from Heaven.

Back, back, back to Indiana.

TED CRAMER APPOINTED
STUDENT MANAGER

Ted Cramer, graduate of the
school of commerce with the class of
1918, and president of the student
assembly last school year, has been
appointed general student manager,
by the Oregon Agricultural college
board of control. He will have
charge of all student activities, which
will consist during the early part of
the season chiefly of athletics.
Among other athletics which he will
supervise are oratory and debate, all
musical organizations, student pub-
lications, and college health service.
He has also been made secretary of
the alumni association in which ca-
pacity he will handle all the work of
the secretary and edit the "O. A. C.
Alumnus," published quarterly.
Mr. Cramer tried to get into the
military service of the country last
spring, but was pronounced physi-
cally unfit. To correct the disqualifi-
cations he underwent an operation in
the hospital, which left him in a
condition still unfitted for service
for some time. He is spending that
interval as general student manager
at his alma mater.
In his school days Mr. Cramer was
interclass and intercollegiate deba-
tor, a member of the varsity football
squad, president of the student as-
sembly and winner of the Shakoan
cup. He is a member of the Alpha
Kappa Psi honorary commerce fra-
ternity, and the Forum, the upper
class honorary society. He is also a
member of the Lambda Chi Alpha
fraternity.—O. A. C. Barometer.

Christian Church Surprise—
The "10 o'clock surprise" adver-
tised for the Bible school of the
Church of Christ yesterday delighted
all who were there at that hour.
The feature was a reading and song
by Geo. C. Metcalf. Mr. Metcalf al-
ways has something good for his
audiences whenever he appears. The
"11 o'clock surprise" was the un-
veiling of a chart outlining a new
plan for individual usefulness of the
church members. It takes the form
of 10 points of Christian activity up-
on which each member reports each
week, receiving credit on the per-
centage basis. The object is to de-
velop toward 100 per cent useful-
ness. The plan met the hearty ap-
proval of the congregation.

A CORRECTION
An error appeared in the article
entitled "Farmers Experiment in
Spraying" and printed in Friday's
Courier. In some manner the fig-
ures appearing for "unsprayed trees"

have read as follows:

sents the per cent of perfect apples,
the second wormy, the third aphs

A Sad Picture—

In one of the recent magazines a
soldier boy, despondent while his
comrades were reading their letters
from home, with none for him, calls
to our attention a duty in not ne-
glecting the boys "over there." Neat,
tasteful and substantial stationery
should be used. In the windows of
Sabin's Drug Store is displayed a
large assortment of the latest in
Crane and Highland Linen and
Khaki. Such stationery gives class
to a letter as clothes do to a man,
and is appreciated by a soldier as
well as other people.

'The Great Love'

an Artcraft Picture

CAST INCLUDES

Lillian Gish, Geo. Fawcett, Henry Walthall, Maxfield
Stanley, Robert Harron, Geo. Siegmann,
Rosemary Theby, Gloria Hope

"The Great Love" is a story of
women in war-time, played by an
astounding cast that includes Brit-
ian's Dowager Queen. It bares the
very souls of women in wartime.

D. W. Griffith spent 18 months
on the war-torn fields of France se-
curing scenes of magnitude hitherto
unknown to the motion picture art.
Coming back to California he spent
another six months completing the
story.

The result of his labor is as big as
a circus, as intimate as a doughboy's
letter to his sweetheart, as wonderful
as a sunrise on the Japan Sea, as
beautiful as a baby's laugh.

Mr. Griffith's "The Birth of a
Nation" and "Hearts of the World"
were shown in big theatres at high
prices. You remember them. You
know what a D. W. Griffith pro-
duction means.

In order to get the mighty mes-
sage of "The Great Love" to all of
America, Mr. Griffith in conjunction
with Famous Players Laskey cor-
poration is presenting this, his new-
est achievement, in the motion pic-
ture theatres first. He wants all
Americans to see what their allied
sisters are doing to help win this war.
For this reason popular prices pre-
vail.
