The Nation's Awakening.
When You Come Back.
In the dawn of another day.
In the land of wedding bells.
In the shadow of the dexter palm.
In the sweet long ago.
In the valley of sunshine and love.
Ireland must be Heaven for my
mother came from there.
It's a great life if you don't weaken.
It's a long way back to mother's
knee.
It's a long way to Berlin.
It's so hard to be happy without you.
It's time for every boy to be a sol-
dier.
It's Lilac time in lover's lane.
I've adopted a Belgium baby.
I've a world of love in my heart for
you.
I've got the army blues.
I've got the nicest little home 'n
Dixie.

er Dundalk was torpedoed in the
Irish Sea last week. Of the crew of
more than 30, only 13 were rescued.

COAST-TO-COAST AIR MAIL SERVICE AFTER WAR

Washington, Oct. 22.—Postmaster
General Burleson today wrote Sen-
ator Shafroth, of Colorado, that the
aerial mail service will be extended
to Denver immediately after the war.

The line will connect with the pro-
posed New York-San Francisco aerial
mail route, which also is being held
in abeyance until peace comes.

SAVE MAN LABOR BY USING MORE HORSES, LARGER IMPLEMENTS AND POWER MACHINES

INCREASED EFFICIENCY OF FARM WORK WITH HORSES.

(Prepared by the United States Depart-
ment of Agriculture.)

In solving farm-labor difficulties,
more horses, larger implements and
power machinery play an important
part. If two horses, which have been
driven singly by two men, are com-
bined into a team driven by one man,
the efficiency of the horses is as great
or greater than before, and one man's
time is saved. The two-horse turning
plow is in common use in all parts of
the country but except on small farms
it nearly always will be profitable to re-
place the two-horse plow by a larger
one. Four horses can pull a two-bot-
tom plow as easily as two can pull a
single bottom of corresponding size.
The two-bottom plow enables a farm-
er to do what is generally the heav-
iest work of the year with half the
help that would be required if single-
bottom plows were used. In hot weath-
er or where the plowing is hard, five
or even six horses will sometimes be
necessary to keep the plow moving
steadily and at a good rate of speed.

Plowing With Tractors.

Experienced tractor users say they
can do just as good plowing with a
tractor as they did with horses, or
even better, and a three or four-plow
tractor enables a farmer who has more
plowing than can be done with the
largest horse-drawn plow further to
increase the amount of work which
one man can do. One man with a three-
plow tractor usually covers a little
more ground a day than three men
with single plows, and one man with a

GERMANS EMULATE OLD BUCCANEERS

Shades of Captain Kidd!

We've known for some time that
the Huns were piratical, but here's the
first photographic evidence that they
try to emulate the dress and bearing
of the old buccaneers of the Spanish
Main. The accompanying photograph
was taken in the German trenches
shortly before an attack by United
States marines. When the Hun of
the be-pistol belt and the fierce mus-
tachios was captured by "devil dogs"
the snapshot was taken of him. In-
cidentally, the practical person, since
forming the acquaintance of the Amer-
icans, is a much milder and meeker
man.

No School Tomorrow—

J. G. Imel, superintendent of the
city schools, requests the Courier to
state that there will be no school to-
morrow. Whether school will con-
vene next Monday will depend en-
tirely upon the condition of the
threatened epidemic of influenza at
that time. Today one new case of
influenza was reported by the local
physicians.

WINONA RANCH IMPORTS ENGLISH BERKSHIRES

The first pure English Berkshires
to be received in the northwest have
just reached Winona ranch, Grants
Pass, Ore. Two sows, the one sired
by Epochal and out of a daughter of
Old Sally, the imported sow, and
foundation female of the whole Ep-
ochal herd of Berkshires, the other a
daughter of the champion boar of
the British empire, imported some
years ago, and a boar, a son of the
famous Epochal, the \$50,000 boar
heading the herd of the Gossard
Breeding Estates at Martinsville,
Ind., have been secured. The boar at
a purchase price of \$1,000. These
animals are owned jointly by Win-
ona Ranch, Homewood Farm and
River Banks Farm, all of Josephine
county.

To the fine type of American stock
sired by Laurel Champion the sire
of more prize winners than any
other living Berkshire boar, and by
Artful Leader, the son of the Grand
champion boar at the Panama Pa-
cific exposition, the senior and junior
herd sires at Winona, these English
animals will bring new strength,
added prolificacy, uniform growth,
smoothness and pork qualities. The
Epochal litters, with their average
of eight uniformly good pigs raised
to maturity, will prove a boon to the
farmer and breeder who has been
puzzled over small litters and runs.

In the climate of southern Oregon,
considered to be more like that of
England than any other part of the
United States, these British animals
should do particularly well. With
the careful feeding and judicious
mating that characterizes the Win-
ona operations, the results of their
importation should be unequalled in
constructive breeding.

TAKEHERIA—To Mr. and Mrs.
Geo. Takeheria, of Waldo, on Oc-
tober 21, a daughter.

To Retain Friends.

To retain friends of the right sort
means that one must prove a friend of
similar caliber. But on the other hand,
if a girl or woman is influenced only
by display (which at best is an empty,
shallow affair) she cannot hope to
hold the sincere regard of persons
who in truth are worth while. The
really level headed girl will cling fast
to the honest friends of other less
palmy days—perhaps to the friends
who make no display but who are ster-
ling through and through.—Exchange.

you proved yourself worth his won-
derful effort by finishing his socks

TEXT OF GERMAN REPLY

(Continued from page 1)

has been formed in accordance with
the wishes of the representatives of
the people, based upon equal, uni-
versal, secret and direct franchise.

The leaders of great parties of
the reichstag are members of this
government. In future no govern-
ment can take office or continue in
office without possessing the confi-
dence of the majority of the reich-
stag.

"The responsibility of the chancel-
lor of the empire to the representa-
tives of the people is being legally
developed and safeguarded. The
first act of the new government has
been to lay before the reichstag a
bill to alter the constitution of the
empire so that consent of the repre-
sentatives of the people is required
for decision as to war and peace.

"The permanence of the new sys-
tem of government is, however, guar-
anteed by the empire so that a com-
pact not only by constitutional
safeguards, but also by the unshak-
able determination of the German
people, whose vast majority stands
behind these reforms and demands
their energetic continuance.

"The question of the president as
to with whom he and the govern-
ments associated against Germany
are dealing, therefore is answered in
a clear, unequivocal manner by the
statement that the offer of peace and
an armistice comes from a govern-
ment which (free of) any arbitrary
or irresponsible influence is support-
ed by the approval of an overwhelm-
ing majority of the German people.

NOTABLE VALUES in Georgette and Crepe-de-Chine BLOUSES

TOMORROW we will place on sale a new group of
beautiful Georgette and Crepe-de-Chine Blouses
that evidence the splendid achievements that result
from intimate co-operation between manufacturers
and retailers.

The values are most extraordinary, and made possi-
ble because of the many great economies that have
resulted from the genuine thrift plan under which
they were made and sold. To just one good store in
each city is the sale of these Blouses confined, and,
fortunate indeed are we to have been chosen as the
store to offer them.

The materials are of a superior quality; the
Blouses are cut on full generous lines; the
styles are new, authentic, appealing. The
charming simplicity of design, and the stur-
diness of character that the times so much
demand is the rare possession of each of
these new models.

Style 1301 is of Crepe-de-
chine. Cut with vest effect.
Front panel, collar and cuffs
trimmed with tiny tucks and
hemstitching.

\$3.98

Style 1303 Distinctive model of
Crepe-de-chine. Long points
on collar cross in front and

buttons. All seams hem-
stitched.

\$3.98

of unusual excellence. Front

alternating width. Dignified
in style and finely tailored
throughout.

\$5.50

Style 1407. Charming model
of Georgette. Soft plaits that
are pleated edged and hemstitch-
ing effectively trim collar and
cuffs. Hemstitching and wide
plaits trim front. Novel and
extremely smart cuffs.

As the allotment is limited and no more of the same
styles will be obtainable, we urge upon you the nec-
essity of an early call if you wish to share in the gen-
erous savings that this sale makes possible.
