The Nation's Awakening.  
When You Come Back.  
Just dreaming of you.  
Just the kind of a girl.  
Just you.  
Keep your face to the sunshine,  
Shaki Bill.  
Kind treatment will make me love  
you.  
Ladie in France is dreaming.  
Last night in a dream.  
Let him miss you just a little bit.  
Let's all be Americans now.  
Let's go back to the village of love.  
Let's go back to Dreamy Lotus Land.  
Let's keep the glow in old glory.  
Let the chimes of Normandy be our  
wedding bells.  
Lily and the frog.  
Lily of the valley.  
Listen to the knocking at the knit-  
ting club.  
Little bit of sunshine from home.  
Little garden in our back yard.  
Long Boy.

Several friends from different precincts in Josephine county have advised me of reports in circulation that I have withdrawn from the race as a candidate for county treasurer. My employment at this season of the year requires practically all of my time and prevents me from meeting many of the voters, therefore I wish all my friends to kindly correct this rumor until it is put to sleep.

Thanking you all for your kind words in my behalf, I am,

Sincerely yours,

**HEAR THIS CALL from OUR HOME TOWN BOYS OVER THERE**

LETTERS from our boys in the trenches and from the women in canteen and other war work, all bring to us the same message—SEND US NEWS FROM HOME.

World news is all right, but OUR BOYS want NEWS OF THIS TOWN. They want the home newspaper. Publishers are prevented from sending their papers free to anyone, even boys in the service. Consequently a national movement has been started by Col. William Boyce Thompson of New York, who is acting as President of the Home Paper Service of America to give the boys what they are calling for. Every community is joining the movement. Let us see that our boys are not forgotten.

Send to the publisher of this newspaper whatever amount of money you can—5 cents or \$50.00. We will publish a list each week of those contributing, and the amounts contributed.

Every cent received will be used to send this paper to our boys at the front. If at the end of the war, there is any surplus, it will be turned over to the local Red Cross Committee.

There is no profit in this to the publisher—even in normal times, subscriptions are not sold at a profit. With war prices prevailing, and the high rate of postage on papers sent to France, our cost will scarcely be covered by our full subscription price.

Remember that over in France, some brave soldier or sailor from this town—perhaps even some splendid woman working within sound of the guns—is depending on you to "KEEP THE HOME LOVE KINDLED."

They are calling to YOU from "Over There" GIVE WHAT YOU CAN

SUBSCRIPTIONS HAVE BEEN RECEIVED AS FOLLOWS:

Herman Horning	\$2.50
Frank M. Leland	5.00
Adah M. Morrison	2.50
L. S. Morrison	2.50
