

"Gee! I wish there was something I could do!"

WHEN you think of what the boys "over there" are doing to help the great cause of freedom, wouldn't you just give anything to be there and help them? Wouldn't you fairly jump at the chance to do anything in the world to back up the men that are fighting?

You can't be there yet, of course, but there is a place for a boy who wants to help our country, a place where he can show the stuff he is made of as well as he could over in France.

There is a new opportunity for boys who want to do their share toward winning the war. It is called the *Victory Boys*. Its motto is, "A million boys behind a million fighters."

The organizations for which the *Victory Boys* are working provide the soldier with his movie theatre, his church, his club, his store where he buys the little everyday things

he needs. When he is hungry, they

feed him; when he is tired, they comfort him.

When you enroll with the *Victory Boys*, you pledge yourself to go out and earn money for this great work that the soldier needs so much. Ask your neighbors for odd jobs. Tell them of the great cause you are working for. If you can pledge yourself to earn \$20, remember that for five months you are taking care of one soldier—*your* soldier.

Wear the *Victory Boys* button—it is a badge of honor. It means that you are doing everything in your power to help your country

to victory.

For further information inquire at the *Victory Boys* Division of your local committee for the
