You brought Ireland right over to me.
You came, you saw, you conquered.
You can't bring back yesterday.
You can't put the beauty back in the rose.
You don't have to be Irish.
You, just you.
You made me cry for you.
You made the world for me.
You may hold a million girls in your arms.
You never can be too sure about the girls.
You never can tell.
Young America, we're strong for you.
You-oo just you.
Your country needs you.
You're breaking my heart with good-bye.
You're a grand old flag.
You're a great big lonesome baby.
You're going to fall in love with California.
You're in style when you're wearing a smile.
