THANKSGIVING SERVICE AT BAPTIST CHURCH

The Baptist church will entertain with Thanksgiving service this year. Rev. Chas. R. Drake will deliver the address. The state council of defense has requested that a patriotic sing be held the same evening, and has sent a large number of pamphlets containing patriotic songs to be used in this affair. Every city in the state will have one of these events. It has been decided that the community sing and Thanksgiving address be coordinated so that the singing will begin at 7:30 at the Baptist church and will be followed by the Thanksgiving sermon. The music will be in charge of Mrs. Knapp.

AT THE MOVIES

The management of the Joy theater takes pleasure in announcing the presentation on November 27-28 of first of the Lois Weber productions, "For Husbands Only." The other two, "The Price of a Good Time" and "The Doctor and the Woman" (an adaptation of "K" the well known novel by Mary Roberts Rinehardt) will be shown in the near future. Lois Weber is considered one of the five best directors of motion pictures in the world, the other four being D. W. Griffith, George Loane Tucker, Marshall Neilan and Maurice Turner who directed Master Lincoln's "Bluebird." And it is the director and not the star who is the big element in the success or failure of a picture.

"For Husbands Only" is a clean play and as entertainment, will appeal to all classes. The story is so original you are unable to guess the action ten feet ahead. There isn't one slow moment—it certainly keeps you up in the air. And to top it all—there is a surprise ending entirely different from what you expected.
