LEOPOLD GODOWSKI AT MEDFORD WED. NIGHT

Leopold Godowski, the famous Polish pianist who appears at Medford Wednesday evening, November 27, hits nothing but the high spots on the Pacific coast, Los Angeles, San Francisco, Medford, Portland and Seattle. The program that Mr. Godowski will give is calculated to please all classes, his marvelous technique is bold and startling and combined with his breadth of conception and delicate shading will be a revelation as to what can be done with the piano.

INSURE LIBERTY BONDS AGAINST LOSS OR THEFT

Washington, Nov. 26.—To insure against loss or theft of Liberty loan bonds, owners are being urged by the treasury to have their coupon bonds registered although the procedure results in a great amount of work and expense for the government now that the number of bond owners runs above 30,000,000. The registration can be arranged at most banks, and is done without cost to the owner. After registration, if a bond is accidentally lost, stolen, or destroyed, the government will pay it at maturity just the same, and interest checks will be mailed to the bond owner twice a year without requiring him to go to the trouble of clipping coupons and presenting them at a bank.

"The fact that bonds of the First Liberty loan or bonds of the Second Liberty loan are converted into bonds bearing higher rate of interest does not affect the dates on which interest is payable," explains a treasury announcement.

Interest is paid on bonds of the first loan, regardless of whether they have been converted, on June 15 and December 15; on bonds of the second loan, May 15 and November 15; third loan, March 15 and September 15; fourth loan, April 15 and October 15.

The treasury also explains that owing to the mechanical difficulties of preparing millions of interest checks on registered bonds, coupon bonds will not be exchanged for registered bonds or registered bonds transferred on the books from one owner to another, during a month before an interest paying date of each particular loan. For example, exchanges or transfers can not be arranged for First Liberty loan bonds between May 15 and June 16; and between November 15 and December 16. For the second loan, these dates would be April 15 to May 16; and October 15 to November 16. For the third loan, February 15 to March 16; and August 15 to September 16. For the fourth loan, March 15 to April 16; and September 15 to October 16.

This arrangement is explained by the treasury as follows: "During any period when the transfer books for any particular loan are closed no transfers of registered bonds of such loan or interchanges of registered and coupon bonds of such loan will be permitted, but if requests for transfer of any such registered bonds or interchanges of any such registered and coupon bonds are received during any such closed period, the requests will receive attention upon the reopening of the books.

"The semi-annual interest will be paid to the person in whose name bonds are registered as shown by the books of the treasury department on the date the books close regardless of any disposition that may be made by the registered holder during the closed period. If coupon bonds are presented for exchange for registered bonds during such closed periods, the coupon next due should be detached and collected in the usual manner. If registered bonds are presented for exchange for coupon bonds during such closed periods, interest on such registered bonds will be paid in the usual manner, and the coupon bonds delivered upon such exchange after the reopening of the books will have the coupon maturing on the interest day for which the books were closed and prior coupons detached."

BROKEN FLANGE CAUSES WRECK AT TUNNEL 9

A broken flange was responsible for a freight wreck at Tunnel 9 this morning. Just as an extra west bound freight was emerging from the tunnel the accident occurred and one car went off pulling two other cars off the track. The speed of the train, however, cleared the cars from the tunnel.

Southbound passenger train No. 13, due in Grants Pass at 8 a. m., was delayed until after 4 o'clock this afternoon. Northbound passenger train No. 14, was held over in this city from 8:40 until 1 o'clock.

YANKS MAKE BOCHE SING AMERICAN MUSIC

Pittsburg, Nov. 26.—How an American infantry regiment captured a German band of 60 pieces and forced the Huns to play the "Star Spangled Banner" is told in a letter received here recently by Rev. Thomas Allan, a retired Methodist minister, from his son, Corporal E. W. Allan, of the 319th Infantry.

Corporal Allan, in his letter, says that the regiment, in a surprise attack without a barrage, took the German band intact. As the victorious Yankees were en route to the rear with the prisoners, they called a halt along the road, and by whistling and singing gave the Germans a working idea of the "Star Spangled Banner."

Just as soon as the Huns had mastered the selection, the American soldiers lined the prisoners up and forced them to play the national anthem of the United States, to which tune they marched to the prison cages.
