Standers, Walkers, "Gets-It" for Corns

World Has Never Known Its Equal. "What will get rid of my corn?" The answer has been made by millions—there's only one corn-remover that you can bank on, that's absolutely certain, that makes any corn

Corn-Pain is Eased—the Corn is Doomed!

on earth peel right off like a banana skin—and that's magic "Gets-It." Tight shoes and dancing even when you have a corn need not disturb you if you apply a few drops of "Gets-It" on the corn or callus. You want a corn-peeler, not a corn-fooler. You don't have to fool with corns—you peel them right off with your fingers by using "Gets-It." Cutting makes corns grow and bleed. Why use irritating salves or make a bundle of your toes with tape or bandages? Why put a band-aid still have the corn? Use "Gets-It"—your corn-pain is over, the corn is a "gone" sore as the sun rises. "Gets-It," the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. M'd by E. Lawrence & Co., Chicago, Ill. Sold in Grants Pass, and recommended as the world's best corn remedy by George C. Sabla.
