

FERRYDALE

Mrs. A. C. Ford has been at Grants Pass with her daughter, Myrtle, for the last ten days nursing the flu. So far Myrtle is the only one of the five persons in the house contracting the disease.

Marion Griffin's children commenced school again this week, after being out three weeks on account of influenza.

Ben Jones is convalescing from the flu.

A. I. Hussey had to give up and go to bed last Saturday with the flu. At last reports his little daughter, Dama, is down with the same plague.

Some of the potato growers in this section lost heavily during the last freezing weather.

The Flanagan mine is working full head since the rains and the giant is moving lots of earth and gravel under the supervision of Lester Briggs.

Charles Dora is digging up the last of the peach trees from the noted Every orchard. He is of the opinion that the ground is worth more for farming, although Mr. Dora intends setting out more peach trees on ground less productive to peach wood growth.

A. I. Hussey received a telegram from Portland that his brother, Marlon, was very sick with acute pneumonia and his wife and two children were down with the flu at Washougal, Wash. He received a wire the next day that his brother was better.

We are having mail now only every other day, the high water prevents crossing the ferry.

COMING EVENTS

Feb. 3, Monday—Annual meeting stockholders of the Grants Pass Fruit association at 2 p. m.

Legal Blanks at the Courier.

GRANTS PASS WOMAN EDITH CAVELLE RELATIVES

Mrs. Edith Cavell Amenka 658 North Eighth street, send the Courier a clipping from a Chicago paper telling of the return of her nephew, Lawrence Roosevelt Cavell, as follows:

"Corporal Lawrence Theodore Roosevelt Cavell, a third cousin of Edith Cavell, the British Red Cross nurse who was executed as a spy by the Germans in Belgium, has returned from France, where he did his share in taking vengeance."

"Corporal Cavell has been a member of the Twenty-third Signal Battalion and saw service in the Argonne forest. For 11 days and nights he and several comrades slept in mud and water and under a murderous shell fire. Here Cavell, who is barely 19 years, was wounded."

"Cavell, after repeated attempts to enlist and each time rejected on account of weight and youth, was finally accepted in October, 1917."

WILFORD ALLEN HEADS ACCIDENT COMMISSION

Salem, Jan. 23.—Wilford Allen was elected chairman of the industrial Accident Commission association today for the next biennium and the commission submitted an annual report on accidents and its work during 1918.

The following statement in this regard was issued by the commission:

During the year 1918 a total of 25,288 accidents were reported to the Industrial Accident Commission.

In the adjustment of these claims of employes injured in the course of their service in Oregon industry, the commission disbursed in medical and surgical aid and in compensation for time loss, or set aside for pensions for maimed workmen and the widows and orphans of workmen, \$1,635,144.99.

The number of widows now receiving a monthly pension from the funds is 180, while 305 orphaned children are also on the roll.

Of the accidents occurring during the year and coming within the jurisdiction of the commission, 182 were fatal. The lumbering industry led for toll of life, with 85 fatalities.

Douglas Road Bonds

A complete statement of the present status of the Douglas county road bonding fund has been presented by County Clerk Lenox. This shows that just one-half of the \$555,000 worth of road bonds have been sold, and that from these sales there still remains \$65,598.39 unexpended.—Roseburg Review.

TEDDY WANTED MAN'S SIZE DEMONSTRATION

Chicago, Jan. 23.—The late Col. Roosevelt's love for athletics is clearly set forth by Robert J. Mooney, formerly associate publisher of a Chicago newspaper.

"I was in Washington on August 18, 1904, working on the editorial staff of the New York Tribune during the presidential campaign," said Mr. Mooney. A boyhood chum of mine who was in government service asked if I knew President Roosevelt and if I could obtain an interview for him.

"I replied that I knew William Loeb, the president's secretary and would do my best. I called Mr. Loeb on the telephone and he told me to bring my friend to the White House. On arriving there 100 people were waiting in line. I sent my card to Mr. Loeb who appeared shortly and beckoned us to come in.

"In his private office the president greeted us, saying to my friend, who was an amateur boxing and wrestling champion of the District of Columbia.

"You are the finest looking man in boxing togs I ever saw. Now tell me—how did you knock out Blank that night I saw you at the club?"

"Why, Mr. President, it was a punch like this," he replied, illustrating the punch in the air.

"Show it to me! Hit me on the chin as you hit him.

"My friend did it, but gently.

"No, no, that won't do; hit me hard; hit me the way you hit him!"

"My friend did. He gave the president a sharp punch in the jaw.

"That's it, that's it, I got it now, exclaimed the colonel delightedly.

"Now let me try it on you."

"With this, the president hit my friend and sent him reeling.

"I've sure got it," the colonel said, "I'm going to try it tomorrow on Lodge and Garfield, won't they squirm?" and the president laughed.

Mr. Mooney added that President Roosevelt was so enthusiastic over the lesson that he immediately promoted the boy.

OLD AGE STARTS WITH YOUR KIDNEYS

Science says that old age begins with weakened kidneys and digestive organs. This being true, it is easy to believe that by keeping the kidneys and digestive organs cleansed and in proper working order old age can be deferred and life prolonged far beyond that enjoyed by the average person.

For over 200 years GOLD MEDAL Haarlem Oil has been relieving the weaknesses and disability due to advancing years. It is a standard old-time home remedy and needs no introduction. GOLD MEDAL Haarlem Oil is included in odorless, tasteless capsules containing about 5 drops each. Take them as you would a pill, with a swallow of water. The oil stimulates the kidney

action and enables the organs to throw off the poisons which cause premature old age. New life and strength increase as you continue the treatment. When completely restored continue taking a capsule or two each day. GOLD MEDAL Haarlem Oil Capsules will keep you in health and vigor and prevent a return of the disease.

Do not wait until old age or disease have settled down for good. At the first sign that your kidneys are not working properly, go to your druggist and get a box of GOLD MEDAL Haarlem Oil Capsules. Money refunded if they do not help you. Three sizes. But remember to ask for the original imported GOLD MEDAL brand. In sealed packages.

"We have with us to-night--"

As welcome at the midnight spread as at the breakfast table the

ELECTRIC TOASTER

meets the approval of the discriminating. It is not only attractive in appearance and easy to use, but it produces toast the superior of that prepared by any other method. For toast for Welsh rarebits, creamed chicken or similar light dishes at any time, the G-E toaster means instant, easily controlled heat. No need of "bringing up" the fire.
