AUTO, JOY AND JOY WATER ALL IN ONE CAR

Automobiles, joy, and joy-water are a combination that are often found together, but they are not always shipped in the same car. This was the case Saturday evening, nevertheless, when a car which had been loaded at Medford was opened on the S. P. tracks in this city by Special Agent Roberts of the Southern Pacific corps of sleuths. A "Studebaker" was loaded into the freight car at Medford, but when the car was opened here by Roberts over 200 quarts of whiskey were found neatly packed into the Studebaker. The car was billed to Corvallis. It was re-sealed and sent on its way. Just what will result when the owner of the Studebaker calls for his car will be quite interesting.

WORSE THAN DEADLY POISON GAS

Kidney disease is no respecter of persons. It attacks young and old alike. In most cases the victim is warned of the approaching danger. Nature fights back. Headache, indigestion, insomnia, lame back, lumbago, sciatica, rheumatism, pain in the loins and lower abdomen, difficulty in urinating, all are indications of trouble brewing in your kidneys.

When such symptoms appear you will almost certainly find quick relief in GOLD MEDAL Hamlet Oil Capsules.

This famous old remedy has stood the test for two hundred years in helping mankind to fight off disease. It is imported direct from the home laboratories in Holland, where it has helped to develop the Dutch into one of the sturdiest and healthiest races in the world, and it may be had at almost every drug store. Your money promptly refunded if it does not relieve you. Be sure to get the genuine GOLD MEDAL Brand, in sealed packages, three sizes.

Receives Helmets—Mrs. Carl Gentner has received two German helmets, sent here to her little son, from her brother, Clifton Booth, whom she says is now in France. One is covered with black patent leather and the other with gray cloth, both being crowned with the hated spike. One helmet bears the following inscription, on the insignia, "Mit Gott Fur Koenig Und Vaterland," while these words adorn the other, "In Treue fest." Mrs. Gentner's other brother, Claude, is also in France. The Booth boys volunteered about a year ago and were with the British for several months but later transferred to the main American forces. They were members of the 17th aero squadron.

Latest Camouflage—Yesterday morning word was sent to the sheriff's office from Ashland that two young men were on their road north from that city in an automobile. Cleverly packed in the bottom of the car were many quarts of booze, while the whole precious cargo was camouflaged by being covered over with a canvas on top of which was conspicuously displayed an assortment of unsuspecting prospectors tools. The trick was discovered by Ashland officers who arrested two intoxicated boys. The boys told just how they got their booze from the automobile, but too late, the bootleggers had departed many hours since.
