Movie Shows Great Attraction on Rhine

Paris, Feb. 22.—American soldiers on the Rhine now carry their mess kits when a specially popular motion picture is to be shown in the Young Men's Christian association huts at Coblenz. As F. E. Carson, of Pittsburg, Kans., the Red Triangle secretary in charge of picture work observed, there is no complaint about the lack of promptness on the part of the audience arriving. "Either they are in their seats on time or they don't come at all,—because they can't shoe-horn their way in," he says. That is how much the American army of occupation likes movies from home.

Six movie shows a night are being given in Coblenz for the American army of occupation. Because of the big demand for the film entertainment Mr. Carson recently came to Paris and took back to Coblenz equipment for three more movie shows.

Anderson's Death Recalls Massacre

El Paso, Tex., Feb. 22.—The death of Roland Anderson, former American consul in Chihuahua, Mexico, recalled the Santa Ysabel massacre of January 10, 1916, when 16 Americans were killed by bandits en route to Cusihuiriachic. His son was among those killed and his father was first to locate the mutilated body at the scene of the massacre. He stood guard with an armed rifle over the body until it was removed to Chihuahua city.

JUNIORS CELEBRATE IN HONOR WASHINGTON

On Friday afternoon the Junior high school celebrated Washington's birthday with a patriotic program. After several musical numbers, including chorus and class singing, and a piano duet, the Eighth A civics class gave a dramatization of the peace conference which they had prepared with the assistance of Miss Ochsner. It is doubtful whether the real diplomats enter with more impressive dignity, or whether the real doorkeeper is ever so overwhelmed by canes and tall hats. Resolutions were read and adopted. President Wilson proposed the league of nations and preliminary plans for its formation were made. A representative from the school children of France brought greetings to the children of America and asked that President Wilson express their appreciation when he returned home. The conference closed with the singing of the "Star Spangled Banner." The cast of characters was:

President Wilson.....Owen Holmes
Premier Clemenceau.....Don Barnes
Lloyd George.....Kenneth Woodin
Premier Orlando.....Jack Murphy
Representatives from other nations.....Norris Clement, Allan Lacey, Don Megargie, Ralph Jordan and Mike Wilcox.
Doorkeeper.....Evelyn Anderson
Secretaries.....Virginia Green, Eleanor Adams
French child.....Ruth Nichols
