# PEPTONA

WILL HELP YOU

It puts the "pep" into run down systems. It contains organic Iron, Malt Manganese and Cod Liver Oil Extract, medicinal agents extensively used as a tonic and strength builder. Valuable for enriching the blood, for aiding the assimilation of food, and for building the health generally.

If you have trouble recovering normal health after gripe, cold, bronchitis, or influenza, if your blood is not up to standard, if your food assimilation is faulty, if you are tired or run down, then you need Peptona to help you. It is our best tonic; it is pleasant to take and easily tolerated by even the most sensitive stomach. We will refund your money if it does not do you good.

# The new big six

IF IT is a moderate priced car you want, our line of Chevrolets is the best car on the market today for the money. Everybody knows what they are, and that there is more dollar value in every turn of the wheel of this car than any other on the market.

Beautiful in Design  
Thoroughly Modern  
Mechanically Right

BUT If you want something classy for a little more money, something with riding qualities, something truly wonderful, it is the NASH SIX. The extra long springs, the absence of unsprung weight, the scientific Hotchkiss drive and the refined smoothness of power application, makes the NASH SIX foremost in pleasure cars. A NASH demonstrator will be here Monday, March 17, so come in and look at the car whether you want to buy or not.

It's The Nash

We are also agents for the Nash Truck, and the Republic Truck. Before buying anything in the motor line see us.

Want to know how a Belgian treats a Hun? See Marguerite Clark's newest Paramount Picture.

Marguerite Clark plays the part of a Belgian Princess who is approached by a Hun with an offer of marriage.

The fire-works end when she marries a good, old fashioned citizen of these United States—the kind of a fellow you'd want her to marry.

By the way, she gets introduced to him by a bolt of lightning.

All right, don't believe it if you don't want to! Seeing's believing though! Come and see for yourself!
