DAILY HEALTH TALKS

Better be Careful About Your Kidneys

BY N. B. COOK, M. D.

Foods taken into the stomach go through various chemical changes, and some of these changes are poisons that must be sifted out and disposed of. It is the duty of the kidneys to do this. When the kidneys do not fully perform their vital work, death may be only a few hours away. Happily, Nature has provided warning alarms telling people when their kidneys are not well. These warnings come in the form of dragging pains in the small of the back, weak stomach, low spirits, chills, nausea, headache, scanty urine and frequent desire to pass it, short breath, numbness, cramps, coated tongue, bad breath, puffs under the eyes, thin blood, dry skin, ringing in the ears, spots before the eyes and many other symptoms. All come from the one cause of kidneys that are not filtering the poisons out of the system. To overcome these troubles, Dr. Pierce, of Buffalo, N. Y., compounded what he calls Anuric Tablets. No other kidney medicine is its equal in giving relief and re-establishing healthful work in the kidneys. The treatment is very simple, as you need nothing except water when taking Anuric Tablets—a glass of water with each tablet. This washes and flushes the kidneys while the medicine itself is dissolving the uric acid poisons and driving them out. Anuric Tablets are made double strength, so that they dissolve uric acid the same as hot water dissolves salt or sugar. Most people need Anuric Tablets because most people have uric acid. Better get that poison out of your body for safety's sake, and better begin today.

To gently and agreeably coax the bowels back into normal activity, take Dr. Pierce's Pleasant Pellets. They are just as good for constiveness as his Anuric Tablets are good for kidney disorders, and that's saying a great deal.

IT'S NOT YOUR HEART; IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. A majority of the ills afflicting people today can be traced back to the kidney trouble.

The kidneys are the most important organs of the body. They are the filters of your blood. If the poisons which are swept from the tissues by the blood are not eliminated through the kidneys, disease of one form or another will claim you as a victim.

Kidney disease is usually indicated by weariness, sleeplessness, nervousness, despondency, backache, stomach trouble, pain in loins and lower abdomen, gall stones, gravel, rheumatism, sciatica and lumbago.

All these derangements are nature's

Buys a Fine Bull—

W. H. Cook, who owns a large ranch a few miles down the river from Merlin, has purchased a fine registered Herford bull of a Douglas county rancher.

Shorthorn Sale—

The Shorthorn Breeders association will hold their second annual sale of Shorthorns at Medford on March 25. The last sale held by this organization was held at Roseburg. Several ranchers from the Grants Pass district expect to attend the Medford sale.

Fined, But Paroled—

One of this city's 16 year old boys was taken before Recorder Allyn this morning, on the charge of smoking cigarettes. Two officers of the police force vouched that they had seen the lad smoking. He was given a fine of \$5, but released from payment on promise that he would "not do it again." The city ordinance prohibits boys under 18 years of age smoking cigarettes. There is also a state law forbidding minors smoking cigarettes.

Salvation Army Meetings—

Salvation Army public meetings are held by Ensign Strautin on Tuesday, Thursday, Saturday and Sunday evenings at 8 o'clock, and anyone desiring to hear the gospel is welcome. The ensign has had 15 years experience in Salvation Army work and has traveled extensively. He is an able preacher, singer and executive. Incidents from his own life are often given in expounding the scriptures. Two conversions are reported for last Sunday.

Will Go to Medford—

A substantial delegation will leave this city tomorrow to attend the get-together meeting at the Chamber of Commerce rooms in Medford. An interesting program has been prepared. F. S. Bramwell, president of the Grants Pass Chamber of Commerce, will preside as toastmaster, and Mayor Demaray has been invited to deliver an address. Hon. R. A. Booth, of Eugene, is slated for a talk on "highway matters." The Ashland commercial club will also be represented.

Medford Man Sentenced—

Robert Fox, better known as Slim McDonald, former janitor of the Natatorium, who fled from the city last summer after passing a number of forged checks on Medford business men and who was finally captured at Oregon City last week, pleaded guilty in circuit court at Jacksonville yesterday and was given a sentence by Judge Calkins of from 1 to 5 years. However he was not sent to the penitentiary but was turned over into the custody of the state parole officer as he is not regarded as any too strong mentally. Fox was indicted shortly after he fled the city.—Medford Tribune.
