THE FIRST NATIONAL BANK OF SOUTHERN OREGON

MACK SENNETTS GREATEST SUPER-COMEDY

"MICKEY" with MABEL NORMAND

HUMOR

"MICKEY" is full of fun and frolic. It sparkles with humor and bubbles with laughter, so that there is not a dull moment. And when the seven reels are finished, the play seems much too short.

The comedy is built upon the reality of human incidents and situations. Every laugh is sincere, running through the play as golden threads run through a piece of cloth, giving it pattern and texture and richness.

ADVENTURE

NO photoplay has yet been produced so filled with adventure and thrills as "Mickey." The novelty and intensity of the thrills are indeed remarkable. Fatalities seem to be avoided by a hair's breadth—with a reality that is tremendously convincing.

There is thrill upon thrill, and each thrill in these suspense-exciting incidents is just a little bit better than the last, until at their climaxes the audience is fairly brought to its feet out of sheer enthusiasm and excitement.
