

To The Automobile Trade

When buying your auto this spring remember one thing—your battery. Do not neglect it. Drive to our service station and have it registered; it will cost you nothing. We will give you a 90-day guarantee, no matter what make of battery it is. Do not let the would-be battery experts tamper with your battery and ignition—it will be expensive even if they charge you nothing.

We know our business from A to Z and you take no chances when you come to us, as we give you a guarantee that our work will be satisfactory.

Do not think we expect you to trade with us if you come here for your battery work. You are just as welcome as the customer who trades with us and we are always glad to show you how to cut down your car expense and get all there is coming to you from your car. Drive up.
