Then, and then only, will you be sure that your corn will loosen from your foot so that you can peel it right off gloriously easy with your fingers. ## Ford THE UNIVERSAL CAR

### Announcement

Regarding the rumor of a cut in the price of the FORD and the making of a new and cheaper car we quote a letter just received from Edsel Ford, president Ford Motor Co.:

"In the first place a large majority of the reports afloat are greatly distorted and exaggerated. A new car may be manufactured but as to when it will be manufactured we are not in a position to say, except that we do know a new car could not possibly be designed, tested out, manufactured and marketed in quantities under two or three years' time."
