## Banish Pain

THERE is no use talking—no one can work or play when they are not feeling well and strong. Life, without health and strength, is a mere painful, pleasureless existence. One of the most important conditions of good health is to keep the kidneys normal and active. When weak or deranged, they do not filter out of the blood the impurities that should be eliminated from the system. When these impurities remain, the blood stream is poisoned and pain and suffering result.

## Foley Kidney Pills

aid and assist Nature. They strengthen and invigorate weak or diseased kidneys and help them keep the blood stream pure and clean, banishing backache, rheumatic pains, stiff and swollen joints, sore muscles, and other symptoms of kidney trouble. W. R. Fox, 195 W. Washington St., Noblesville, Ind., writes: "After suffering many months with kidney trouble, and after having tried other remedies for the same, I purchased a bottle of Foley Kidney Pills and took them. I now feel only did me more good than any other kidney remedies I ever have used, but they positively set my kidneys right. Other members of my family have used them with similar results."

### COUNTY AGENT'S NOTES

Short Horns or Durhams? Which is it and what is the difference? According to present day authorities they are one and the same and there is no difference. At one time there was apparently a distinction, but at present they are recognized as being the same. In fact they are all registered in one association as shorthorns and Shorthorn is the recognized name for the breed.

There is also considerable discussion as to the color of the shorthorn. A great variation in color is allowed even in the best animals of the breed. The variation ranging from white to roan, red and white spotted, and red. They may be pure white or solid red or have all the mixtures of these two colors, either the white or the red predominating.

Let us all get together and call them by the same name. We are introducing a number of shorthorns into the county at this time and it is very appropriate that we recognize them by their proper name. C. D. THOMPSON, County Agent.

## Why Suffer So?

Why suffer from a bad back, from sharp, shooting twinges, headaches, dizziness and distressing urinary ills? Grants Pass people recommend Doan's Kidney Pills. Could you ask for stronger proof of merit? Mrs. A. M. Evensen, 625 S. Fourth St., says: "I was nearly laid up with rheumatic troubles, which affected my hips and one of my limbs. At times the pain was almost unbearable. Often the muscles and cords in my limbs seemed to contract, causing intense pain. During this trouble, my kidneys were more or less affected, which prompted me to take Doan's Kidney Pills. The first box regulated my kidneys and I took about three boxes in all when the rheumatic pains in my hips and limb left me entirely. Now when my kidneys bother me, I use Doan's Kidney Pills and they always do me good." Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Evensen had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

### AT THE MOVIES

#### "The Blue Bird"

"The Blue Bird," an Artercraft picture, will be shown at the Joy theatre next Friday and Saturday. It is an adaptation, by Charles Maigne, from Maeterlinck's masterpiece, which has attracted wide attention in the dramatic and literary world. While it dealt with subjects of great profundity in an allegorical manner, it was easily understood. The great author took for his central figures a little boy and girl, and for them he drew aside the curtain of life, delved into the past and touched eloquently upon the great beyond.

In the form of a play, as produced in London and later in New York, the story teemed with dramatic interest, and instead of a heavy preachment or a dry sermon it developed into a virile presentation, sparkling with vivacity. In adapting this work to motion pictures, director Maurice Tourneur, who staged the production for Artercraft, has carried out the idea of the author in making the photoplay understandable.

### Strikes It Rich Then Takes Bride

Romance connecting North and South America has come to light through the marriage of Stanley Montjoy to Millicent Lee, of Albany, N. Y. It appears that the young people have been long engaged, but it was not until recently that Stanley struck it rich in South America, where he and his brother Jim have been engaged in working a claim and thus enabled him to marry the girl of his choice.

Doesn't this suggest the beginning of a good newspaper yarn—well, it is more than that. It is the partial plot of a new Paramount picture—"Happy Though Married" in which Enid Bennett will appear at the Joy theater tonight and Thursday. The rest of the story takes the spectator through a maze of jealousy, mystery, humor, suspense and final reconciliation.

## BRITAIN CARED FOR MANY YANK PATIENTS

London, April 1.—The total number of American soldier patients in hospitals in Great Britain during 1918 was 47,862. About one-fifth of them were wounded or injured, the remainder ill. When the armistice was signed 9,310 Americans ill and wounded were being cared for in American hospitals here, says an American Red Cross report.

When the United States entered the war the only hospital beds available for American soldiers were in two or three American Red Cross hospitals which were then being used for British troops. So rapidly were provisions made by the Red Cross that by the time American troops began pouring into France and England the supply of American hospital beds was ample. It was only during the influenza epidemic last fall that the demand exceeded the supply.
