COLLINS AUTO COMPANY

Mother—Read this letter

Dear Bill, this March 20th

Levi Strauss and Company, San Francisco.

Gentlemen:—

Please send me a list of the garments which you make for children. My little girls have worn Koveralls in all their real play for the last three years and I find nothing else so satisfactory.

The older child has seen about outdoors for six year since. She and her little sister play outdoors all summer and each garment is sure of a protection to them in every way besides saving a great amount of washing.

When I want to dress the girls in pretty clothes it is a comfort to find that their Koveralls are not soiled and stained by continual contact with the ground and not burned here—by the sun.

Very sincerely yours,
(Name on request)

A friend who lives near San Francisco made me a present of Koveralls for both girls three years ago.

Biliousness

WHEN you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. There is nothing better.

Chop Choiceness

ONE of the things we make a specialty of is selling rich, tender, choice chops of all sorts.

We have an idea that we know how to cut them to please the kind of customer we have to deal with.

Suppose you put us to the test and see if we are mistaken.

Our prices are the lowest in town for the grade of meat carried. Many of our friends have traded here for years.

Not alone do you save money but you get all the flavor that only home-canned foods can give you. In addition, there is the uncommon satisfaction you get in eating the foods you've grown yourself.

It's no trick to have a garden and to raise all the varieties of vegetables your family likes.
