SPECIAL SERVICES ADD TO CHURCH MEMBERSHIP

The two weeks of evangelistic meetings at the Church of Christ closed yesterday with splendid audiences both morning and evening. The program in the Bible school on benevolence was excellent—a liberal offering was made for that work. The Knights Templar were guests at the 11 o'clock service and a very helpful hour is the report of this service. One new member was added to the congregation. In the evening five were added, making a total for the meeting of 31. The folder, Ignition, published each day created much favorable comment and was very helpful as an advertising medium. The work of Mr. Roberts, as song leader also received much commendation. The members of the church are highly pleased with the success of the meetings.

Children's Colds—

To make your distressed baby easy and comfortable, give *Foley's Honey and Tar*.

It is just what children ought to have for feverish colds, coughs, "snuffles" and tight wheezy breathing. It stops croup, too.

Foley's Honey and Tar tastes good and the little ones like it. It contains no morphine, chloroform or other drugs that you would not like to give the young children. Do not accept a substitute.

"My baby was stricken with a severe cough and cold at one month old. I gave him ten to fifteen drops of *Foley's Honey and Tar* every three hours and it surely did help him. He hasn't been sick a day since." Mrs. E. H. Garrett, Schoolfield, Va.
