OREGON WEATHER

Tonight and Wednesday fair, with light to heavy frost to night except near the coast. Gentle variable winds.

THE CIRCUS IN THE WAR

The circus performers are drifting back, one by one, from the front, and resuming their places with the various shows as they start out on their summer tours.

Somehow, among all the men who entered their country's service, these chaps, at whose antics in the sawdust ring or on flying trapeze thousands have roared with mirth or held their breath in suspense, have come for little mention. Yet over 300 of them entered the service, and their record is as stirring and gallant as their most ardent little boy admirer would believe.

There are gold stars in the circus flags. There are crippled and gassed and wounded circus men lovingly tended at winter quarters, to bear testimony that our fun-makers were among our bravest.

"Jerry" Clayton, a clown beloved by children all over the United States, sleeps under French sod. Clarence Richards, whose trained animals were the wonder of all who saw them, was wounded thirteen times in his efforts to subdue the wild German.

Everybody loves a circus; but remembering their feats in the arena of war, we shall look upon the performers now with new and even kinder eyes.

TOO MUCH WOOL

A few years ago Montana and Alaska were advertising their "wild and woolly exhibitions" on Fourth of July and other famous occasions. The trick worked for a while and drew crowds, but finally the people awoke to the fact that being "wild and woolly" did not attract the right kind of settlers. Now they are advertising extensively and telling the country at large that they are not woolly and that the bad man with his two big guns is gone. It never pays to get too "woolly" if you want to attract thrifty settlers.

There may be health in a garden spade, but not as much thrill as in a fly rod.

Judging from today's press dispatches, President Wilson is bound to have a league of nations whether we have peace or not.

When it's stormy 'phone us your grocery order

Of course you don't want to get the 'phone habit. It's so much more satisfactory to come into our store and pick out things for yourself.

But when it's raining or snowing or when something else keeps you indoors it's a comfort to be able to order things without going out of the house. We take special care of 'phone orders. We fill them promptly and accurately.

That's just part of the service we like to give you. We do everything we can to make you feel that our store is a place where it's a real pleasure to buy groceries.

One of our hobbies is telling you about good things and new things.

AS YOUNG AS YOUR KIDNEYS

The secret of youth is ELIMINATION OF POISONS from your body. This done, you can live to be a hundred and enjoy the good things of life with as much "pep" as you did when in the springtime of youth. Keep your body in good condition, that's the secret.

Watch the kidneys. They filter and purify the blood, all of which blood passes through them once every three minutes. Keep them clean and in proper working condition and you have nothing to fear. Drive the poisonous wastes and deadly uric acid accumulations from your system. Take GOLD MEDAL HAARLEM OIL Capsules and you will always be in good condition. You will feel strong and vigorous, with steady nerves and elastic muscles. GOLD MEDAL HAARLEM OIL Capsules are imported direct from the laboratories at Haarlem, Holland.

They are a reliable remedy which has been used by the sturdy Dutch for over 200 years, and has helped them to develop into one of the strongest and heartiest races of the world. Get them from your druggist. Do not take a substitute. In sealed packages—three sizes.

DAILY HEALTH TALKS

What is the Cause of Backache?

BY DOCTOR CORNELL

Backache is perhaps the most common ailment from which women suffer. Rarely do you find anybody free from it. Sometimes the cause is obscure but Dr. Pierce, of Buffalo, N. Y., a high medical authority, says the cause is very often a form of catarrh that settles in the delicate membranes of the feminine organs. When these organs are inflamed, the first symptom is backache, accompanied by bearing-down sensations, weakness, unhealthy discharges, irregularity, painful periods, irritation, headache and a general run-down condition. Any woman in this condition is to be pitied, but pity does not cure. The trouble calls for Dr. Pierce's Favorite Prescription, which is a separate and distinct medicine for women. It is made of roots and herbs put up without alcohol or opiate of any kind, for Dr. Pierce uses nothing else in his prescription. Favorite Prescription is a natural remedy for women, for the vegetable growths of which it is made seem to have been intended by Nature for that very purpose. Thousands of girls and women, young and old, have taken it, and thousands have written grateful letters to Dr. Pierce saying it made them well. In taking Favorite Prescription, it is reassuring to know that it goes straight to the cause of the trouble. There is but one way to overcome sickness, and that is to overcome the cause. That is precisely what Favorite Prescription is intended to do.

Send 10c for trial pkg. of Tablets. Address Invalids' Hotel, Buffalo, N. Y. Constipated women, as well as men, are advised by Dr. Pierce to take his Pleasant Pellets. They are just splendid for constiveness.
