### What Is Rediscounting?

The most important privilege obtained by our mem bership in the Federal Reserve System is that of rediscounting. This means that when necessary, we can take our customers' notes and drafts which we hold to the Federal Reserve Bank and obtain cash in exchange. In this way a large proportion of our assets are just as available as though actually carried in cash.

## Dolmans, Capes and Coats for Springtime Wearing

Capes will be worn on every occasion, and the new models we show in attractive apparel for outer wear include many of the distinctly dressy Dolmans with which the fashionable woman will be delighted. These are but a few of the many new styles we have selected from the leading fashions of the most exclusive makers.

Several very attractive styles just received the last few days. We have marked these garments much less than they were intended to sell for. We are also making some very special prices on a number of the new Spring Palmer coats and suits.

> "Virtuous Wives"

The romance of beautiful Amy Forrester, daughter of wealth swept from society's glitter by strong Andrew Forrester-then left to play while be in distant Colorado, struggled for wealth to place her in the glowing setting he felt her beauty deserved.

But no! Andrew," she pleads tearfully—"take me with you." "I couldn't work so hard nor so fast with you beside me," he replied. "I want you to play for both of us while I'm away. I want men to admire you; I shall glory in your triumps."

As the months passed, Andrew slaved and Amy played with other men as he had willed-holding herself a virtuous wife, according to society's code.

Then came a sinister warning to absent Andrew, the anonymous venon of another woman planted a barb in his trusting heart that brought him back to Amy—then Andrew's soul accused

"You are no longer a virtuous Wife-You-You!"
