THE ROOSEVELT HIGHWAY

The Roosevelt Highway association, with headquarters at the Imperial hotel in Portland, is working diligently to secure passage of the measure at the June election which will make possible the building of this road.

This bill, which passed both branches of the last legislature without a negative vote authorizes the issuance of bonds to the amount of \$2,500,000 for the purpose of constructing the Roosevelt highway along the coast of Oregon, upon the condition, however, that the federal government appropriate an equal amount for the same purpose. If the government fails to do this, then no part of these bonds can be issued by the state, and if the federal government does appropriate a like amount for this purpose it will give to the State of Oregon all the advantages of this road at a cost of 50 cents on the dollar.

Those who have studied the matter thoroughly claim that auto license fees already provided by law will be sufficient to not only pay all the principal and all the interest on the present bonds of the state and those now authorized to be issued, but will also pay the principal and interest of these proposed bonds.

The people of the coast country are deserving of this highway. They are contributing to the cost of building the Pacific highway and other state roads and it is not more than fair that the rich coast country be made accessible. Not only that, but the Roosevelt highway will open up a rich agricultural district that will soon add millions of dollars worth of taxes to the state's taxrolls.

The coast people are assisting us to build our highways, now let us reciprocate by casting our ballots in favor of the great Roosevelt highway.

The Germans had their dance, now let them pay the fiddler. It will be remembered that at the beginning of the war German commanders told their soldiers to "steel themselves" and become immune to the pleas for mercy.

You are the only one who can attend to your home

And your home, your family, is your first duty. You should not, therefore, do things outside your home which someone else can do better and cheaper than you can yourself.

We are thinking especially of excessive grocery "shopping" and carrying home your purchases.

There's no need for you to rob your home of your attention by doing these things, because at our store we do them for you—and at no additional cost to you.

We do your grocery shopping by carrying only the best products and selling them to you at fair honest prices. And we send them home for you because we believe we can perform this service cheaper and better, and certainly more satisfactorily than you can do it for yourself.

We are service grocers. We believe that being grocers means something more than just having things for sale.

Part of our service consists in telling you about the good things we have discovered in our "Shopping for you."

For example there's RYZON Baking Powder. We recommend RYZON because it is the scientific product of the greatest chemical organization in the world; because after testing it we find it to be truly economical and thoroughly efficient. It is 40c per pound—and if you haven't the RYZON Baking Book ask about it at once. The best recipes of 10,000 women are in it.

HIGH SCHOOL NOTES

Tuesday and Wednesday nights saw the staging of the senior play, "Circumstantial Evidence," at the opera house. There was a packed house each night, and the audience was most appreciative. The play was a marked success from every point of view, and the money taken in amounted to about \$500. Members of the cast are gradually returning to school, although they sleep peacefully through most of the periods, and the make-ups are coming off by degrees.

After the play Wednesday night the juniors gave the seniors a reception at the Hotel Josephine. A dainty lunch was served on tables beautifully decorated in blue and gold, the senior colors. After lunch the tables were removed and dancing followed until a late hour, the music being furnished by the player-piano.

The county home demonstration agent, Miss Ruth Corbett, spoke for a few minutes about the fly campaign Friday morning, and was followed by Mrs. Nalder, who for years has been traveling over the world in the interests of the education of the children of India. Her talk was most interesting, and threw a light on many of the customs of that country. She also told of the woman whom she considers to be the most highly educated person in the world, and who is now conducting a school in India.

Next week is the last week of school, and for the seniors it means the ending of their high school careers. Semester examinations will be held on Tuesday and Wednesday. Thursday night will be class night at the high school, and on Friday night the graduation exercises will be held at the opera house.

SOCIAL A Musical Evening

A very delightful musicale was given in the parlors of the M. E. church on Monday evening, May 5th, by ten of the more advanced piano pupils of N. E. Townsend. Although it was the first appearance in public for some of the performers they all acquitted themselves very creditably,

showing careful training in technique and expression. Each pupil played two numbers differing in character and style.

The following took part in the program: Vida and Gail Williams, Dorothy Eggers, Bulah Hussey, Bernice Coon, Nellie Leet, Gudrun Anderson, Kathrine Knox, Louise English and Norman Kendall. The last four doing exceedingly good work. Those assisting were Mrs. Bert Barnes, a solo, with Mrs. Sabin at the piano, and Don Barnes the violin. J. M. Isham, a solo, Louise English at the piano. Glen Hamilton a violin solo, Leonard Kendall at the piano. A reading by Bertha Calhoun, and two songs by Lucy Cass.

Paint Makes Housework Easy

Bare, unfinished floors require almost daily scrubbing. Paint makes scrubbing unnecessary. Dirt, grime and grease clean perfectly from this smooth, hard surface without the back-breaking work of scrubbing.

ACME QUALITY FLOOR PAINT

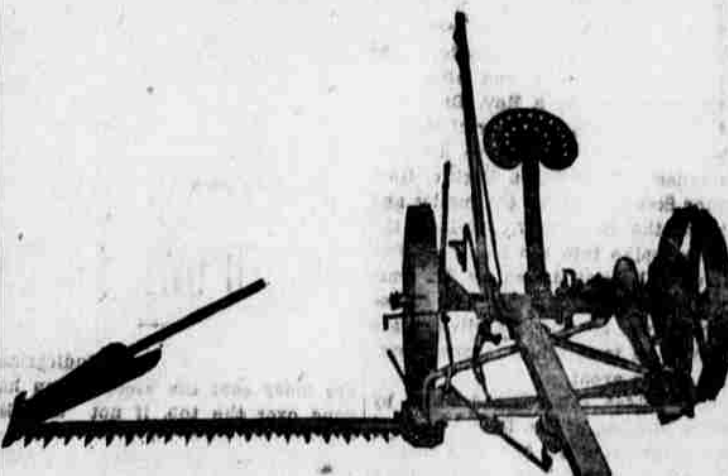

gives a durable, non-absorbant, sanitary finish for floors and for any inside surface to be walked upon.

It is inexpensive and easy to apply—a quart is enough for one coat on the average kitchen floor.

The Acme Quality Painting Guide Book tells all about painting, varnishing, and waxing floors—what to use, how much will be required and how the work should be done. Free at our store.
