FOOLS AND THEIR FOLLY

The May Day plans of the bolshewere extraordinarily ambitious. A trusting Cleveland "Red" is credited with the statement that the paraders

They were going to meet on the big public square, converging from four different directions, and seize the adjacent federal building, then take the banks and the city hall, providing themselves with funds and proclaiming their leader mayor. At the same time a similar program was ington and installing him as presi-

On May 2, as everybody knows, the government at Washington still stood, and every state and municipal government in the country stood likewise. 'All that the bold "Reds' gained were heads broken and clothes torn by the indignant public, ith some slight help from the pe

All of which goes to show what fools these bolshevists are, yet whose foolishness might, if not given prompt attention, menace the entire

WHICH IS THE BETTER AMERI-CAN?

The men in the Kruse & Banks yards at the Bay are, and have been working under "open shop" conditions, says the Gold Beach Reporter. There are approximately about 100 less men in this yard than in that of the Coos Bay Shipbuilding Co.

The men in the latter yard are working under the rule of the agitators, on the "closed shop," or strictly union plan.

The men in the Kruse & Banks yard subscribed in the neighborhood of \$31,000 in about two hours "to Finish the Job!"-the Victory loan.

Approximately 106 more men in the Coos Bay yards working as we said before, under strictly union conditions, subscribed in the neighborbood of \$16,000, to the same cause in a whole week!
