

## The Way To Greater Growth

No town or city can make its industries great, but industries can make a town or city great. A live community is the manifestation of business enterprise. If this community is to grow in importance it will have to be by the enterprise of stable business interests.

We are ready to cooperate in every way to make local business safer, better and bigger. We are sincerely interested in giving individual service to every depositor, regardless of the size of his account. Talk your plans and business problems over with us. We may be able to make helpful suggestions.

#### BORN

**SPRENGER**—To Mr. and Mrs. T. R. Sprenger at Shedd, Ore., Wednesday, May 21, a son. Mrs. Sprenger was formerly Miss Leah Cook of Missouri, Flat.

#### Arrested on Old Warrant

Today Dewey Jones was arrested by Sheriff George Lewis on a warrant, three years old. Three years ago Dewey Jones of this city was accused of breaking into the Arthur Porter residence on South Sixth street. He immediately left the country, but last week appeared here again and was given a job as cook at one of the local hotels. Most of the time he has been in the Atlantic coast states. When taken to the jail this afternoon, he said to Sheriff Lewis: "I have changed and now want to make good."

## BIG BROWN TENT GOING UP AT SCHOOL GROUND

The lot by the Junior High school is the busiest place in town today. The big brown Chautauqua tent is going up and every thing is in readiness for the opening of Grants Pass Chautauqua tomorrow at 2.30.

The opening program will be given by the International Trio, Frederick De Bruin, baritone, formerly of the San Francisco Grand Opera company, Kathylene Harrison, pianist and reader, Gertrude Huber, soprano and violinist.

Plan to attend Chautauqua from the first and buy your season ticket before noon Tuesday.

#### Special Meeting Postponed

On account of Chautauqua the special Masonic meeting called for Tuesday night has been postponed.

#### Shook in Furniture Business

E. D. Shook, who left Grants Pass two years ago for California, is now in the furniture business at Huntington Park, the firm being E. D. Shook & Son.

#### Taken North for Burial

Peter Hartle, of Seattle, arrived in Grants Pass Saturday night and left Sunday night for his home with the body of James Brown, who was found dead in his berth on a north-bound Southern Pacific train Friday morning, south of this city. The remains have been held at Hall's undertaking parlors awaiting Mr. Hartle's arrival. Mr. Hartle is a son-in-law of the deceased, Mrs. Hartle being the only known living child. Mr. Brown was formerly engaged in mining in Alaska, but of late years his health has been poor and his sudden death, presumably from heart trouble, was not unexpected by his daughter and Mr. Hartle.

E. G. Richardson, of the 353rd aero squadron arrived home this morning after a year's foreign service.

Mr. and Mrs. H. R. George, of Argola, Cal., are visiting Mr. George's father, Richard George, at Holland. Mr. George has been away from the Rogue River valley for nine years.

Fifteen per cent cut on all tires and tubes. C. L. Hobart Co. 78

C. A. Bacon arrived this morning from Roseburg and will for the present work between Grants Pass and Ashland on the Southern Pacific freight.

Ralph Bobzien left Saturday night for Seattle, where he expects to remain. He will stop at Corvallis to visit his sister, and will also visit friends at Salem and Portland.

Ed. Johns, who with his father and brothers own one of the finest ranches in the Cow Creek valley, is visiting in the city. He returned from overseas service about ten days ago.

W. C. Hoppes, of Salem, connected with the Boys' and Girls' club work of the department of education, stopped off here to spend the day with his brother, J. H. Hoppes, director of the local Chautauqua.

Rhea Calvert, who has been in Montana for the past three years, returned home yesterday from Choteau, Mont., and will spend the summer on the Calvert & Schell road contract between Gold Hill and the county line.

Mr. and Mrs. A. G. Knapp and daughter returned this morning from Roseburg, where Mrs. Knapp acted as one of the judges for the baby parade and show. Incidentally Mr. Knapp made a booster speech for Grants Pass at the Chamber of Commerce banquet. He said there were some remarks made about this city that he could not pass up.

Mrs. I. S. Thoman, of Ardencraig, is stopping at the Oxford.

The Baptist ladies will give another cooked food sale at the same vacant building corner, Sixth and D streets, Saturday, May 31. Do not forget the time and place. 77

#### Death of Baby Girl

Lida Leora Flaharty, the 6-months old baby girl of Mr. and Mrs. R. J. Flaharty, died at 124 A street, this city, early Sunday morning. Funeral services were held at the residence this afternoon at 2 o'clock and interment was made in the I. O. O. F. cemetery. Mr. Flaharty is bookkeeper at the box factory, having recently moved here from Ohio.

#### Baseball This Evening

The Professionals and Merchants, of the Twilight league, will play their second game at the baseball park this evening. It is persistently rumored on the streets that Manager Gene Coburn, of the Professionals, has been busy buying up some star players for the occasion and expects an easy victory. The "stars" demand an exorbitant price but Gene considered the glory to be won well worth any amount asked. Don't miss the game.

#### Improves Showroom

Some decided improvements have been made at the Fashion Garage. Mr. Burke has moved his repair shop to the rear of the building and has fitted up a better showroom facing Sixth street. He has also leased all of the Burkhalter building, which gives him one of the largest garages in this part of the state. A new awning, paint and kalsomine have added to the appearance of the building.

#### Open Chrome Mine

The Triplicate, published at Crescent City, states that it is the intention to re-open the French Hill chrome mine next month. "Engineer Roy Clark," says the Triplicate, "has concluded a trip of inspection at the mine and departed for Grants Pass." The news of the opening of the chrome mine is surprising, as it is generally thought there is no market for the ore. There are many tons of chrome ore lying along the railroad track in Grants Pass, where it was dumped for shipment just before the drop in price came.

#### Journal in Error

The Oregon Journal recently published a statement to the effect that special agents of the federal department, accompanied by crews of surveyors, are now busily engaged in making surveys of the O. & C. lands in Josephine, Curry and Douglas counties. Word just received by the Courier from the Roseburg land office, says the statement is in error, as the O. & C. lands have all been surveyed. The Roseburg land office has for distribution circulars giving full information in regard to the O. & C. lands.

#### Will Speak in Grants Pass

A letter from Salvation Army headquarters in San Francisco to the Courier states that Dr. Charles T. Wheeler, special envoy of the Salvation Army who has returned from active service in France, will speak in this city on June 10 at 8 p. m. While on the battle front at Cantigny, Chateau Thierry and St. Mihiel, Dr. Wheeler spoke night after night to the doughboys with the thundering of cannon and exploding shells. The Doctor's address should be interesting, especially since the Salvation Army made such a wonderful record for efficient service during the war.

## A Boy Can Run a John Deere Dain Mower

While you are getting things in shape for making hay, put your boy on the John Deere Mower and let him do the cutting—he will do it just as well and just as easily as you can do it.

Because of the powerful lift, he can easily raise the cutter bar to pass over any field obstruction or to extreme height, when necessary. A foot lever, working in conjunction with the hand lever, makes the lift simple and easy.

He will never have to back up to get a start, even in the heaviest hay. The knife starts cutting the instant the mower is thrown in gear—no lost motion.

You will see big advantages in the drive on this machine—it's extremely simple—the gears are so placed that one set holds the other set in mesh constantly. The John Deere will cut all of the grass for years to come—a simple adjustment takes up all lag in the cutter bar, without affecting the centering of the knife. If the knife ever needs re-centering, a special adjustment is provided.

The John Deere is the simplest, most powerful and best-built mower we have ever seen. We know it will appeal to you.

Come in—It's to your advantage, to know all about this mower before you buy. While at our store, we want you to see the rest of our line of haying and harvesting machinery. We have a line of machines you can use with satisfaction and profit.
