PROFESSIONALS LOSE BY BUNCH OF ERRORS

You'll have to admit that as ball players the Merchants are pretty good business men. They do their scoring early. Last evening they repeated the performance, winning from the Professional Men's team 5 to 3, having made four of the five in the first inning.

Adair started the session with a good two base hit. Riggs and Tingley were safe when Captain Gene Coburn and his partners fumbled. Those two errors lost the game for Captain Gene. Gilmore struck out; Bears hit safely; Bratton out on a foul to Gale Smith; Levier and Hough were safe on scratch hits; Vernon Coburn out, Patterson to Gene. Four hits, two errors, four runs.

The Merchants scored again in the second inning, when Riggs came in on his hit, followed by two errors. Then the Professionals tightened up, and no Merchant was allowed as far as second base during the last five innings.

The Professional team scored once in the third inning. Gale Smith hit one over Hough in right field for three bases, and then scored on

head off Coburn, Hammerbacher attempted to take second, but was caught, retiring the side. The Professionals tried desperately to tie the score in the sixth, three men getting on bases, but the Merchants turned them back with some classy playing.

There were a number of interesting features in this game. In the sixth, Pittinger, Hammerbacher, Coburn made a double play on Hough and Vernon Coburn. Likewise Gilmore and Bears retired Bradford and Pittinger on a double play in the last of the sixth. On one occasion Bears jumped three feet in the air to capture a throw from Bratton, but came down with the putout. Stott hit a hot one to Bratton, who failed to handle it; the ball caromed toward Tingley who made the play, getting Stott at first. Adair hit a good two-bagger in the seventh, but as he hustled for second failed to touch first base. The ball was relayed back to first, and Charlie was shorn of his hit and sent to the side line.

The next game will be Professional Men vs. Mechanics, Tuesday, June 3rd.

Daily Health Talks

GOING BACK TO NATURE.

BY DR. W. LUCAS.

People get sick because they go away from Nature, and the only way to get well is to go back. Something grows out of the ground in the form of vegetation to cure almost every ill. Some of these vegetable growths are understood by man, and some are not. Animals, it would seem, know what to do when they are sick better than men and women. Observers have noted that a sick horse, dog or cat will stop eating food and seek out some vegetable growth in the field or yard, which, when found and eaten, often restores appetite and health. Haven't you seen these animals do this very thing yourself?

Dr. Pierce, of Buffalo, N. Y., long since found the herbs and roots provided by Nature to overcome constipation, and he had these vegetables collected and made up of Mayapple, leaves of Aloe, root of Jalap, into little white sugar-coated pills, that he called Dr. Pierce's Pleasant Pellets. You must understand that when your intestines are stopped up, poisons and decayed matter are imprisoned in your system, and these are carried by the blood throughout your body. Thus does your head ache, you get dizzy, you can't sleep, your skin may break out, your appetite declines, you get tired and despondent. As a matter of fact, you may get sick all over. Don't you see how useless all this suffering is? All that is often needed is a few of Dr. Pierce's Pleasant Pellets, which he has placed in all drug stores for your convenience and health. Try them by all means. They are probably the very thing you need right now.
