GOOD REPORTS FOR THE HURST COMEDY CO.

The Hurst Comedy company, composed of all colored people, gave a pleasing entertainment at the Bligh theatre, Salem, Saturday evening to a big audience, which applauded vigorously throughout two hours of fun. There is not an objectionable utterance throughout the entire entertainment. The musical acts were fine, especially the cornet solo and duet. The dancing was as good as seen here in years. There are good voices in the songs. The jokes are not coarse and the Hursts will always receive a good patronage in Salem.

MONTANA MINE OUTPUT 60 PER CENT NORMAL

Helena, Mont., May 26.—In several phases, there are startling contrasts in labor conditions and in the cost of living, in Montana today, compared with the era preceding this country's entrance into the great war.

While no authentic figures for the pay 60 days are available, it was stated in March, by a committee of the state assembly which investigated the cost of necessities in the state that prices had risen, on an average, about 90 per cent, in this state, since the world struggle began.

The mining industry is the only basic industry in the state running on a sub-normal basis. The latest figures available for the Anaconda Copper Mining company, the largest employer in Butte, and in the state, is for March. It shows a production of about 60 per cent normal. It is a rule that the production of other Butte mines will, on an average, hold on a level with that of Anaconda. It is hoped the mines, not later than July, will return to a normal basis.

HOW RHEUMATISM BEGINS

The excruciating agonies of rheumatism are usually the result of failure of the kidneys to expel poisons from the system. If the irritation of these uric acid crystals is allowed to continue, incurable bladder or kidney disease may result. Attend to it at once. Don't resort to temporary relief. The sick kidneys must be restored to health by the use of some sterling remedy which will prevent a return of the disease.

Get some GOLD MEDAL Harlem Oil Capsules immediately. They have brought back the joys of life to countless thousands of sufferers from rheumatism, lame back, lumbago, sciatica, gall stones, gravel and other affections of the kidneys, liver, stomach, bladder and allied organs.

They will attack the poisons at once, clear out the kidneys and urinary tract and the soothing healing oils and herbs will restore the inflamed tissues and organs to normal health.

All others are imitations. Ask for GOLD MEDAL and be sure the name GOLD MEDAL is on the box. Three sizes, at all good druggists.
