The drivers of three different cars have been notified by the police to appear before Recorder Allyn and pay fines. These drivers, says Chief of Police McLane, are all young men and were caught scorching last evening. In addition to this, five young boys were found out "after hours," and one Young America was discovered with a cigarette in his mouth. The "kids" were given a sharp reprimand for staying out too late, while the Young America was told to leave the filthy weed alone—or take the consequences. Under the new time boys are allowed to remain on the streets until 10 o'clock.

What Does the Bank Say About You?

Before Opportunity makes her final decision, she "checks up" on you. She wants to know if you are worthy.

What a reputable bank says about you is often the deciding factor. If you're known at a strong bank as a man of good business habits—a man who keeps his checking account in a healthy condition—and his word likewise—such a statement will go far with Opportunity in deciding in your favor.

"Get in strong" with a strong bank. This bank has a service to offer that will help you grow. The advice and counsel of such a bank is a tremendous asset to you. Drop in some time and ask about it. No red-tape.
