It is only the man who "keeps money in the house" that invites the visit of the "yegg." No burglar will risk life and liberty by entering a house where the owner is known as a "pay by check man."

Contest at Land Office—An interesting contest has come up before the local land office in the last few days involving a desirable piece of land containing about 80 acres and located near Leland, in Josephine county, says the Roseburg Review. The tract contains 60 acres of bottom land. The purpose of the contest was to establish the fact that the land was agricultural rather than mineral. Thomas A. Bird applied for the land under the homestead act. Mr. Bird was represented by Attorney B. L. Eddy. Norman H. Blalock and others represented the mineral interests. Among the witnesses was Alva H. Gunnell, from Grants Pass. The mineral claimants made no appearance. The testimony was taken by the register and receiver of the local land office and their decision will be given at an early date.

It is rumored that the Mechanics will spring a "dark horse"—a pitcher from the Texas league—on the Merchants, and many bats are expected to fan the atmosphere.
