developed during the war must not be allowed to wane during the period of reconstruction." The executive council recommended that the entire matter be taken up by the convention for its consideration and action.

The report of the council concludes as follows:

"Satisfying as has been the progress made in the year just closed, a vast amount of work in this direction remains to be done. The greater our strength, the better will our movement be equipped to accomplish the great work that is at hand. Now, more than ever, the thought of the world is directed toward the achievement of progress and the establishment of high ideals.

"The inspiration for this trend of events has been the product of the labor movement and the labor movement must continue to lead in this direction."

### COUNTY AGENT'S NOTES

Fall sown barley has proven an excellent crop this year. Many farmers have tried it out this year for the first time. The excellent results obtained will warrant planting it more extensively in the future.

L. A. Hollowell, just east of the city limits, has one of the best pieces in the county.

There is a reason; barley grows early and fast and matures a crop before the dry season comes on, so that there is plenty of moisture in the soil up to the time of harvest.

Another farm practice that has been used considerable, to advantage this year is the sowing of barley in the alfalfa field early in the spring. Splendid results come from this practice where the alfalfa is rather thin. In addition to making an increase in the hay crop it serves to keep down the weeds.

C. D. THOMPSON,  
County Agent.

You can't cover blackheads, pimples, red spots on the face with powder; they're bound to be seen—don't worry or spoil your temper. Take Hollister's Rocky Mountain Tea each week—it will banish them through the blood, the only sure way. 35c. Sabin's Drug Store.—Adv.

## Why Not Drive Poison Out?

DO you realize that the kidneys never have a moment's rest? They work all the time, day and night, year in and year out, filtering poisonous waste products from the blood. Is it any wonder the kidneys get out of order, weak, or too tired to keep the blood stream clear of impurities?

When the kidneys falter, trouble begins. The waste matter accumulates in different parts of the system, and backache, swollen joints, aching muscles, pains inside, biliousness, blurred vision, puffy pouches under eyes, or rheumatic pains result.

### Foley Kidney Pills

Help weak, tired, disordered kidneys to do their work. They strengthen and heal the kidneys, soothe and regulate the bladder and have a splendid tonic action on the liver.

Mr. Louis Flint, 182 S. Jefferson Ave. Battle Creek, Mich., writes:

"For years I suffered intense pain. The doctors told me it was my kidneys and gave me medicine which did me little good. A friend induced me to give Foley Kidney Pills a trial. In a few weeks I was feeling much better; inside of a year I found out I had a permanent cure. I am now 76 years old, a veteran of the Civil War, on my feet ten hours a day, six days a week."

You can help your kidneys keep your system clear of poisons by taking Foley Kidney Pills.

## Diamond SQUEEGEE TREAD Tires

Diamond  
Announces  
Increased  
Mileage  
Adjustment

To Diamond Users and  
Diamond Dealers—Here's  
big news.

From today all Diamond Tires shall be adjusted at higher mileage—Fabrics 6,000 miles; Cord constructions 8,000 miles.

Furthermore the new adjustment applies to every Diamond Tire of future or past sale, including tires in the hands of user or dealer.

Diamond users, and Diamond dealers have long known the big mileage in Diamond tires—the users own tires.

We mark up our adjustment to 6,000 and 8,000 miles for Fabric and Cords respectively, merely to measure out a definite share of the superb mileage that we know the wonderful strength and endurance Diamond tires have in them.
