

### Better Than Burglar Alarms

It is only the man who "keeps money in the house" that invites the visit of the "yegg." No burglar will risk life and liberty by entering a house where the owner is known as a "pay by check man."

This bank will take care of your money, pay your bills, and keep your cash account.

It is the only safe, convenient way. We solicit your account, no matter how small. Many of our heaviest accounts began in a very humble way.

**Mr. and Mrs. George H. Parker** left Saturday for Portland to spend the summer. They were accompanied by their daughters, Misses Augusta and Gertrude Parker, teachers at Klamath Falls. They will all go to Klamath Falls at the opening of school to remain.

### WHAT IS BASEBALL WITHOUT ROOTERS?

The interest in the games of the Twilight league has grown steadily from the beginning of the season. The one particular that is sometimes lacking is that of support from the spectators in the way of rooting.

When, for instance, Guy Knapp and Frank Mashburn fail to pull for the Merchants; or when the Mechanics do not hear the encouragements of Bill Hays and Ben Collins; or when Doc Walker and Judge Holman do not implore the Professionals for that "hit" old base hit," then their respective teams have not the pep that they should show. President Bramwell, of the Chamber of Commerce, has been appointed cheer-leader for the Merchants; Agent J. M. Isham, for the Mechanics, and Banker Sam Baker for the Professionals.

The schedule for the remainder of the season is as follows:

June 10, Merchants vs. Professionals.

June 13, Mechanics vs. Professionals.

June 17, Mechanics vs. Merchants.

June 20, Professionals vs. Merchants.

June 24, Professionals vs. Mechanics.

**COURT TODAY**—Judge F. M. Calkins arrived here from Medford this morning and is holding court today.

### Foot Troubles

Vanish if you use these comforts  
**REXALL FOOT POWDER**

sprinkled in the shoe absorbs perspiration leaving the foot cool and free from all pain, 25c

**SANIPEDS FOOT BATH**  
Tablets used in a foot bath at night relieve tired burning feet.—25c.

**Rexall Corn Solvent**—An efficient remedy for corns, callouses and honey skin.—25c.

**CLEMENS**  
The Rexall Store

**Arsenate of Lead**—Sulphur and Black Leaf 40, for spraying. Sabin the Druggist has these in large and small packages. 88

**Miss Clemens Wins Swim**—The Seattle "P. I." prints the following: "The swimming events were the most popular of the afternoon. About 10 girls entered the women's free-for-all 100-yard plunge, Miss Catherine Clemens finishing first. The event was the water sports staged in the Lake Washington canal in connection with the Junior Day festivities at the University of Washington.

**Cutthroats Hatched**—Superintendent J. W. Berrian received 200,000 rainbow trout eggs last week for the Butte Falls hatchery says the Medford Tribune. This makes 400,000 eggs received so far this year. No steelhead eggs have been received as yet. Mr. Berrian says he can handle double the amount received. The 200,000 cutthroat eggs previously received were hatched and the babies are feeding.

**Excursion Rates to Coast**—Grants Pass to Crescent City, by easy riding cars, for \$7.50. Grants Pass and Crescent City Stage company. Phone 26. 744f

**Elks' Lodge Growing**—The Elks lodge initiated 11 candidates last night and voted favorably on 45 applications for membership. This makes about 150 candidates to be initiated at the big meeting on Friday, June 20th, beginning at 4 p. m. In all since the drive was begun in April for new members, 175 candidates were obtained.—Medford Tribune.

**Carrier Girl Run Down**—Nellie Hood, one of the Courier carriers, was run down by an automobile Saturday afternoon and knocked off her wheel but not seriously injured. She was riding her wheel along Sixth street near the Claus Schmidt corner when Chester York of Murphy drove around the corner from 1 street onto Sixth. The side of the car struck the bicycle, throwing the girl and the rear auto wheel passed over her foot. Fortunately there were bruises only.

**Attorney Not Necessary**—A. H. Gunnell of this city has received a letter from John F. Shafroth, of the war minerals relief commission, in regard as to whether it is necessary for chrome men to employ an attorney to look after their interests with that commission. Mr. Shafroth says each claimant is entitled to a public hearing and that if he wishes to submit additional testimony aside from his questionnaire he may do so, either in person or by attorney. The matter of an attorney is one for the claimant himself to determine.

**Are We Dead?**—The Klamath Falls Herald says: Harry Richardson has returned from a few days visit in Grants Pass and he comes back home a greater booster for Klamath Falls than ever before. "Is it lively over there?" he countered to a query, "Lord, man, it is deadlier than a mackerel. There is more business done in one store in Klamath Falls than in all of them in Grants Pass. This city has more life, and pep, and business, and metropolitan get-up-and-get to it in a minute than they have over there in a month." And this is not said in derogation to Grants Pass. It is a beautiful city, fine homes, magnificent lawns, beautiful flowers, splendid streets and all that—but no money, no life, no business."

**Miss Peterson Entertained**—Miss Mable Peterson was entertained with a pleasant surprise given her by a host of young friends on the evening of June 5th, at her home in honor of her 16th birthday. Games, music and dancing passed a pleasant evening. A midnight lunch being served by Mrs. James Peterson, Carrie Ryan, D. Peterson and P. S. Peterson, consisting of ice cream, cake and candy. Those present were: Misses Marion Sauer, Lola Wilhelm, Phillipino Sauer, Nola Wilhelm, Pauline Peterson, Mable Peterson, and Messrs. Stanley Ogden, Harry Neely, George Witters, Wesley Egger, Hubert Hoxie, Floyd Anderson.

**Are Developing Mine**—F. M. Gannon, a former Roseburg resident, arrived here yesterday from the Applegate mining district south of Grants Pass. With two other men he is developing an 18-foot ledge

## The All-Fuel Colonial Range

IS A PERFECT RANGE

Burns Coal or Wood—Keeps Kitchen Warm in Winter  
Burns Gas—Keeps Kitchen Cool in Summer

The "All-Fuel" Colonial will put to rout all the unpleasant things in cooking. USES GAS IN SUMMER—keeps the kitchen temperature down. Without a single change burns coal or wood in winter—keeps the temperature up. These are the conditions that count most in cooking.

### SAFE OVEN

The oven on the "All-Fuel" Colonial is absolutely non-explosive. The gas being turned on or off outside of the range. Oven door must be open to light the gas. A safe lock prevents gas being turned on accidentally, or by children playing around the range.

The "All-Fuel" Colonial is built to last a life time. The body is made of highest grade cast-iron. This construction is of vital importance.

In burning Gas there is a moisture which forms and has a very disastrous effect on steel. The "All-Fuel" is fitted with Pacific Coast firebox for coal or wood—wide or shallow. Fitted with Duplex Reversible Grates. The Gas Burners and drip pans are removable for cleaning, assuring you a sanitary range at all times.

NOTICE—We take your old stove or range in exchange on one of these "NEW ALL-FUEL RANGES" and allow you all it is worth.
