Satisfaction

There is a satisfying pleasure every housewife feels in preparing a meal from good and wholesome materials. Makeshift foods and unsatisfactory as well as unwholesome.

Our Meats Satisfy

You feel fresh and vigorous after eating a meal prepared from our market. They give the necessary buoyancy and vigor to the system. And they cost no more than the "other" kind. Why not eat well when it costs no more?

Perfection

OF course every butcher has a perfect right to brag about his sausage, bologna, chopped meat and other things of that sort.

He knows very well what's in them, and the buyer doesn't.

We could tell you things about certain kinds of sausage, for instance, that'd fairly bark with interest.

Only safe way is to trade with a reliable butcher—one whom you know will give you a fair deal. Can we serve you?

Glendale Has Wild Man—
A strange acting man has been seen in this locality by various citizens, and many believe he is some insane man who is wandering at large. He has been seen running and waving his hands and seems to be making his headquarters in the woods on the hill back of the reservoir. A search was made Monday by the marshal and several volunteers but no trace of him was found. This morning he was again seen running wildly across the ball ground and heading for the hills. He has been seen at various times and early in the morning, since last Friday.—Glendale News.
