## CAR LOAD COMING TO GRANTS PASS

70 Cars Loads---Over 500 Tractors in one Train Load for Oregon Farms This Fall

# THE FORDSON TRACTOR

will pull two Plow bottoms, your Grain Drill or a 7-foot double action Disc Harrow, grind your Feed, fill your Silo, cut Wood, in fact any kind of belt work up to 22 H. P.

## They are Simple, Durable and Reliable

No gears exposed.  
No chance to cut gears with mud or dust.  
The air for your cylinder passes through water to wash dust out. This makes it a long life engine.

All gears run in a bath of oil so simple any one can handle them.  
Easy to handle and quick to move around. You can't help but be satisfied as over 50,000 farmers are using them.

Plows from 6 to 10 acres a day --- some farms do as much as 10 horses can do with a Fordson  
Three speeds forward, 1 1-2 miles on low, 2 3-4 miles on second---this is the gear you do nearly all your plowing on---and 7 miles an hour on high. No matter what you do with a Fordson you always have reserve power

### Do your Fall Plowing Now---Don't wait for a Rain

See who has the big crops. It's the man who sows in the fall---he is sure of a crop. You can start plowing now, don't wait for a rain. You cant help but make a success of farming if you have a Fordson Tractor.
