### RAISING WILD GAME FOR TABLE IN WASHINGTON

Seattle, July 31.—It now is lawful in the state of Washington, under a law passed by the recent legislature to raise for sale and serve at public meals, various kinds of wild game. Raising of wild birds or animals and the serving of them at restaurants is under state license, a fee of \$10 for the first year being charged and \$5 annually thereafter. Thus, for the first time in the state, the fastidious diner may call for fried China pheasant or roast duck or venison—provided persons are found who see a profit in raising the wild game for such purposes.

### GRADUATION EXERCISES MAKE CHURCH LIABLE FOR TAXES

Los Angeles, Cal., July 31.—A school in Glendale, a suburb, held its graduation exercises in the First Methodist church, of that city. Now the church must pay taxes on the property, according to a ruling by Deputy County Counsel Vallee.

The property was placed on the tax roll by the county assessor when he was advised by Mr. Vallee that a section of the state constitution provides for the exemption of church property from taxation only when "used solely and exclusively for religious worship."

This one secular function, according to Mr. Vallee, made the church liable for taxes.

# GRANTS PASS TO PLAY ASHLAND NEXT SUNDAY

(Ashland Tidings)

Hub Pernoll's Grants Pass ball teamers with the wiley old big leaguer swinging a bat and pitching in the pinches, will be up to mingle with the speedy crew which the Ashland management has got together, next Sunday afternoon. Grants Pass has won three games from the locals by narrow margins, each one a harder fight than the last and the locals figure that now the time has come to reverse the results. Ashland has been in hard luck most of this season, losing Lilly in the first game he played and Plymate soon after. However with Lilly back in old form and Daddy Hill of Medford taking care of the mask and mitt and a new addition in Ruddy Scholtz of Santa Clara, the boys have an aggregation which will make anything up and down the line take a hurry to get ahead of them. No one who saw the Grants Pass game on July 6th will miss the battle Sunday. Revenge with a capital R and a burr like a Scotchman saying "roaring" is in the air. Hub Pernoll is pitching part of the time for the Pass now. He went in at Grants Pass two weeks ago and kept the Ashlanders breaking their backs for the last four innings. Pernoll doesn't seem to have lost any of that old stuff that took him to the top of the American league. It remains until Sunday to find out for sure.

# Notice to Subscribers

Under authority of the Postmaster General, on account of recent increases in wages to employees, totaling for the State of Oregon upwards of \$225,000.00, certain changes in exchange rates have been approved and made effective July 29, 1919, for the State of Oregon.

The changes in rates apply particularly to residence service, changes having been made in the principal business rates May 1, 1919.

All new business taken on after July 29th will be at the new rates and bills to present subscribers for the month of August will be rendered at the new rates.

The increased rate will yield an annual revenue upwards of \$250,000.00, but as the increase in wages is upwards of \$225,000.00 the net return to the Company under the rates now made effective is approximately 2 1/2 per cent on the valuation of its property at \$13,464,000.00, as found by the Public Service Commission.

The new schedule of rates is identical with the one approved by the Postmaster General for the State of Washington, which has been in effect since March 1, 1919. The rates are the same in both states for exchanges that are comparable.

We believe that no proof as to the advanced cost of living and the general high cost prevailing for labor and materials is necessary and that the telephone using public will accept this increase in rates in the same spirit of fairness and consideration as it has the advances in almost every other necessity in these unusual times.
