RED CROSS CARES FOR GRANTS PASS SOLDIER

Claude Baye, who was recently operated on for appendicitis at Big Springs, Texas, is practically recovered, according to a letter received by his mother, Mrs. Will Trimble, of this city. The letter was written by the chairman of the Red Cross canteen of that place, and follows:
 Big Springs, Texas,
 July 25, 1919.

Dear Mrs. Trimble:
 You have heard from your son several times by now, I suppose, but I will write once more to tell you what a pleasure it has been to do things for him. Not all our Red Cross work is so pleasant. He has gotten along so well from the first, mainly because of his spirit of optimism and cheerfulness. Never was he discouraged or blue about his own case, and as soon as he was up, was all over the hospital living up the other patients, and being of help to the doctors and nurses. We have been to see him about every day, taken him out riding occasionally, carried him fruit, ice cream, cigarettes, etc., and it is a pleasure, as I said, to do little things for him. You may look for him any day. He is all O K and only waiting for his discharge. I do hope he always keeps

Notice to Subscribers

Under authority of the Postmaster General, on account of recent increases in wages to employees, totaling for the State of Oregon upwards of \$225,000.00, certain changes in exchange rates have been approved and made effective July 29, 1919, for the State of Oregon.

The changes in rates apply particularly to residence service, changes having been made in the principal business rates May 1, 1919.

All new business taken on after July 29th will be at the new rates and bills to present subscribers for the month of August will be rendered at the new rates.

The increased rate will yield an annual revenue upwards of \$250,000.00, but as the increase in wages is upwards of \$225,000.00 the net return to the Company under the rates now made effective is approximately 2 1/2 per cent on the valuation of its property at \$13,464,000.00, as found by the Public Service Commission.

The new schedule of rates is identical with the one approved by the Postmaster General for the State of Washington, which has been in effect since March 1, 1919. The rates are the same in both states for exchanges that are comparable.

We believe that no proof as to the advanced cost of living and the general high cost prevailing for labor and materials is necessary and that the telephone using public will accept this increase in rates in the same spirit of fairness and consideration as it has the advances in almost every other necessity in these unusual times.
