of-doors. Many individuals stated that although they had traveled across the continent and had been shown every possible attention it remained for Pointland to put on the crowning feature.

At Salem Sunday afternoon the guests were treated to airplane exhibition flights and fancy stunts by two machines and given a home products lunch in the Capitol park.

Seattle, Victoria and Vancouver will also entertain the editors, and sessions of the national convention will be held in each of these places.

Portland, notwithstanding the fact that Buyers week was in progress, together with several other conventions during the same days, gave the party of national editors a reception that will stand out prominently as features of their trip.

The Northwest Tourist association and the Oregon State Editorial association were responsible for securing the 1919 convention for the coast and it is estimated that several million lines of the best possible advertising for the coast will result for the trip.

This city's "Regret and Invitation," as inserted in each copy of the Caves booklet is as follows: To the Members of the National Editorial Association:

The citizens of Grants Pass regret the inability of the members of the National Editorial Association to make a visit to this city, but are pleased to act with Medford and Ashland as your hosts on the trip to Crater Lake. We take this opportunity of extending to you and your friends an invitation to come to Grants Pass at your convenience and view the scenic attractions and revel in the climatic perfection of the lower valley of the Rogue. We would especially call your attention to the Josephine Caves, of which a descriptive pamphlet accompanies this note. Also to the trip to Crescent City and the Coast through the giant redwood forests; the ride along the lower Rogue to Hell Gate Canyon, and Old Galice, and the many other side trips to be made from this city. Stop here and fish for the gamy steelhead trout, the greatest sport for the angler on the face of the globe. There are ample hotel accommodations, or if traveling by auto, you can stop in the fine camping ground on the bank of the river, where you will have at hand one of the finest bathing beaches in the west.

Write to the Chamber of Commerce if you wish to arrange for a trip to the Caves, for steelhead fishing, or for other trips from here. Information will be gladly and promptly supplied you. Remember that old saying of the Indian, that once you have drunk of the waters of the Rogue you had just as well cease traveling, for you are bound to come back. And when you do come back, remember that Grants Pass invites you. Come where nature has done

NEARLY everybody suffers from kidney disease at some time or other. One may think he is perfectly well and even force himself to say he is "all right," but his tired movements and languid expression tell more plainly than words that he is in an unhealthy condition. Backache is a symptom of weak disordered kidneys. Rheumatic pains, stiff joints, sore muscles are others. These symptoms indicate that the kidneys and bladder need help to do the work of filtering and casting out from the system poisons and waste products that cause trouble. Foley Kidney Pills give quick and permanent relief in kidney or bladder troubles that have not reached a chronic or advanced stage. They stop bladder irregularities, strengthen the kidneys and tone up the liver. Paul Darkow, Stewart, Minn., writes: "Two years ago I had a pain in my back so severe that I could not walk. I thought it was kidney trouble. I bought a 50-cent bottle of Foley Kidney Pills and after taking about half the bottle was completely cured. I have had no recurrence of the trouble." If you have any cause to suspect that your kidneys need help, you will make no mistake in taking Foley Kidney Pills. SOLD EVERYWHERE
