CLAIMS BURNED HOUSE TO RECEIVE INSURANCE

Deputy Sheriff Ernest Lister returned yesterday from the Galice district where he arrested F. D. Merton, accused of setting fire to the old O'Brien house on "Tar Flat" in this city, which was recently burned to the ground.

Merton was brought to Grants Pass and last night made a written confession, according to the statement from the sheriff's office today, stating that he had set fire to the house, having purchased the property eight days previous. He paid \$230 for the place and immediately insured it for \$600, besides carrying \$150 insurance on household goods. He also confessed to having no household goods, aside from a few articles that amounted to only a few dollars.

The old O'Brien house stands beyond the reach of city water and the fire department, which made a quick run to the scene of the blaze, was unable to save it. Merton told the officers that he piled old papers in a closet, set it afire and then hurried to the city. By the time the alarm was turned in he had reached the railroad track near the depot. His case will come up before the grand jury.

MOTORCYCLE AND AUTO COLLIDE ON 6TH STREET

A serious accident occurred Wednesday evening about 6:30 o'clock at Sixth street and Evelyn avenue, when A. Brunken, who was riding a motorcycle, collided with the Chevrolet car owned by Alice M. Bacon and driven by Frank Shearer.

Mr. Brunken's left leg was broken in two places, above and below the knee and he sustained other minor bruises. He is an operator at the Southern Pacific depot and was sent to the company's hospital at San Francisco last night. His motorcycle was wrecked, while the Chevrolet was damaged to the extent of about \$100.

Just how the accident occurred has not been learned, but it is presumed that Mr. Brunken was riding at a rather rapid rate of speed while Mr. Shearer was probably too near the center of the highway at the sharp turn to avoid the motorcycle.

Buys Irrigated Farm—

Charles E. Gray, recently of Eastern Oregon, has sold his ranch there and purchased the beautiful riverside ranch of W. H. Striker, a few miles above Rogue River. The fact that 65 acres of this ranch are under an irrigation ditch was the principal factor in inducing Mr. Gray to make the purchase. He will move on to the place at once and expects to make his home there. W. H. Striker, not wishing to leave Southern Oregon has purchased a 30-acre irrigated farm near Ashland, where he will reside. Both sales were made through Isaac Best, of this city.
