OREGON WEATHER

Fair, warmer southwest portion; gentle westerly winds.

PRESIDENT TO BEGIN WESTERN TRIP SOON

Washington, D. C., August 27.—The president will begin his Pacific coast trip as soon as details can be arranged probably within the next ten days or two weeks.

"SAVE THE REDWOOD LEAGUE"

(Continued from page 1)

on the road from Grants Pass to Crescent City. The Del Norte county redwood group extends into Oregon eight miles, and this tract, the only redwoods in Oregon, should also be made a public park.

Grants Pass, in accordance with its location, will be on the Park to park highway and should be an outfitting point for the redwood parks.

Madison Grant is head of the Zoological society of New York, trustee of the American museum, president of the Bronx park commission, traveler, writer and lover of nature. His interest is to save the nature's wonderland to posterity and he is interesting men of influence and communities to see the importance of the natural scenery.

The need for speedy action is very great as in some instances the owners of small tracts are taking advantage of the highways to log off their timber and in a short time the highways will extend through a wilderness of massive stumps and underbrush, unless measures are taken to prevent.

Mr. Grant suggests the advisability of the Grants Pass chamber of commerce organizing a league to cooperate with the Del Norte county league for the saving of the redwoods in Oregon and Northern California.

COMING EVENTS

- Sept. 8, Monday—Board of equalization meets.
Sept. 8, Monday—Grants Pass public schools open.
Sept. 18, Thursday—Courier Bargain Day.

WHEN EVERY MOVE HURTS

Lame every morning, achy and stiff all day, worse when it's damp or chilly? Suspect your kidneys and try the remedy your neighbors use.

Mrs. Wm. Harvey, 621 N. Eighth St., Grants Pass, says: "I suffered from kidney trouble. My back nearly killed me, it ached so badly. I was as helpless as a child, being confined to my bed most of the time. My kidneys were terribly congested and I was a nervous wreck. It just seemed as though every inch of my body was affected, as I ached all over. Doan's Kidney Pills pulled me through this. I stuck to them for several months and was finally able to get around as well as ever. I consider myself cured.

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Harvey had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

HIGHER STATUS FOR PRIVATE SECRETARY

Degree of "B. S. S." (Bachelor of Secretarial Science) Conferred at This School.

Boston university, whose professional schools of law, medicine, theology and education are known nationally, announces the addition of a new professional school—the College of Secretarial Science. Its purpose is to train young women for the tasks of the private secretary, executive secretary, social secretary, civil service secretary, office manager, accountant's assistant.

The college has courses covering four years, leading to the degree of bachelor of secretarial science. A short two-year course is also offered, but does not lead to the degree, and a one-year course of intensive study for college graduates is provided.

The college will open for its first term in September. A full curriculum for the full four-year course has not yet been worked out, but the program for the first year shows the following as the subjects of study for prospective secretaries: English writing, United States resources and industries, secretarial ethics and duties, modern foreign languages, history, business mathematics, shorthand, typewriting, physical education.

Business and society women of Boston and vicinity appear in its announcement bulletin as the board of advisors. Among the advisors are: Mrs. Andrew J. Peters, Mrs. F. L. Higginson, Mrs. James J. Storrow, Mrs. Nathaniel Thayer, Mrs. Barrett Wendell, Mrs. F. Lothrop Ames, Mrs. Eliska Flagg, Miss Ellen Fitz Pendleton, Mrs. Frederick Windsor and Mrs. Charles Sumner Bird. Theodore Lawrence Davis is director and professor of secretarial science.

PHRENOLOGY WRECKS HOME

California Man Lays Busted Home to Science.

A phrenologist's bump "busted up" the home of William Edwin Wiseman of Los Angeles. So it is stated in a suit for divorce that Wiseman filed against Ada Porter Wiseman.

According to Wiseman, his wife got hold of a book on phrenology and a chart and proceeded to phrenologize his head. Then she is said to have announced in the presence of guests that she was of a much greater artistic temperament than her husband. According to her analysis of the bumps or his head, it is alleged, she made the deduction that she was mis-mated. All this, coupled with sundry other things, charged Wiseman, caused him great mental suffering and resulted in a breakdown. The couple were married in 1904.

Novelist's Wife Puts In.

"She regretted the bath. She missed it, and so must we all. In modern history, as in modern fiction, it is not nice in the least for the heroine—even such a dubious heroine as Mamise—to have a bathless day. As for heroes, in the polite chronicles, they get at least two baths a day—one heroic cold shower in the morning and one hot tub in the late afternoon before getting into faultless evening attire. This does not apply to heroes of Russian masterpieces, of course, for they never bathe. ('Why should they, my wife puts in, since they're going to commit suicide anyway?')—'The Cup or Fury,' by Rupert Hughes.
