There is little difference in the message we have for you each day, and yet we want to impress you with the fact that money is the hub around which the world moves, lives, and has its being.

Opportunity never comes to the careless man, advancement never comes to the lazy ones. Arouse yourself, put ginger into your work and the habit of Saving will come naturally to you.

BABY IS NAMED AFTER BROWNIE OUTFIELDER

A St. Louis paper writes the following, regarding the popularity of Kenneth Williams, playing with the St. Louis team:

"The slugging proclivities of outfielder Kenneth Williams has not only earned the brilliant young Brownie plaudits and praise from public and press, but also the unwavering adulation of proud fathers and mothers, who are beginning to name their babies after Jimmy Burke's brilliant slugger. Mr. and Mrs. Frank Williams of 6513 Joseph avenue informed the Star today that they have decided to name their baby boy in honor of the Brownie's outfielder. The youngster's middle name will be Claude, in honor of the Chicago White Sox's great southpaw.

Kenneth Claude Williams was born June 23. If he continues to grow as he has during the two weeks since his arrival he will be winning ball games for Burke's club before 1935. The father of Kenneth Claude wants the youngster to be a pitcher, while Mrs. Williams believes he will develop into an outfielder. Jim Burke expresses the desire that the youngster "recruit" emulate both baseball stars and climb into fame's limelight as another Sisler.
