

To Get Rich Quick

is the dream of most people. Always remember that the business that pays 200 per cent does not have to be offered to the public for sale. Its the mine that does not exist that has to be sold by the slick talker.

Interest from money saved is slower but IT IS SURE... Don't try to beat the other man's game but put your money where you are sure it is SAFE.

Are You Fond of Fine Music?

Then come in and hear a few records on an EDISON DIAMOND DISC talking machine. The EDISON artists are among the finest of the world, and every tone is reproduced by the Edison machine with marvelous accuracy. There is nothing hollow or unreal about the tone of the EDISON DIAMOND DISC. If you could not see the machine you would not believe that the artist himself was not present.
