## \$100 REWARD

Sometime between the 19th and 17th of September, 1919, a pressed steel boat about 16 feet long was stolen from D. G. C. MacNeill whose lodge is situated on the river about one mile above the Ament dam. The boat was manufactured by the Mullins Company of Ohio, as shown by the plate on the gunwale. This is the only boat on the river of the kind and should be easy of identification.

Mr. MacNeill will pay the above reward for information leading to the arrest and conviction of the thieves. Address all information to the undersigned.

## ELSIE FERGUSON

# "Eyes of The Soul"

Founded on "Salt of the Earth," the Famous Saturday Evening Post story by George Weston

### "POOR FELLOW!"

So they pitied him, a blind soldier, and blindly went their ways.

And at a cabaret that night they saw a girl dancing—"just a chorus girl," with the love of her kind for the gladness and glitter of life.

Yet how little they saw! That soldier had gone blind to save a comrade's life. That dancing girl had seen him with the eyes of her soul, and, sacrificing more than they could dream, had loved him.

YOU will love the whole world just a little better when you see Elsie Ferguson in "Eyes of the Soul."
