CAPPER SHOWS FARMERS'

(Continued from Page One.)

"Without visibly helping the con-
sumer we have brought about a
crisis in our most fundamental and
vital industry by forcing the pro-
ducer to accept prices at which he
cannot continue to produce, while he
and the consumer are compelled to
pay prices at which they are forced
to curtail the home demand."

Citing losses sustained by agricul-
tural producers, Senator Capper said
the recent decline in livestock prices
had cost producers \$80,000,000.
Livestock growers, he said, do not
control the markets, and, like other
agricultural producers, must accept
prices fixed by others.

Farm wages have doubled, land
values have risen enormously and
everything the farmer buys, he said,
has risen from 50 to 300 per cent.
Among the remedies suggested by
Senator Capper were cessation of
"federal government propaganda
which tends to bear down the prices
of farm products."

"Executive departments," he said,
"should seek wider markets for the
farmer by lifting the embargo on
wheat and wheat flour to Europe,
by extending credits to European gov-
ernments and by lowering ocean
freight rates."

Legislation to free the livestock
producers of alleged control of the
markets by the packers also was
urged by Senator Capper, who sug-
gested establishment of cooperative
farm selling agencies.

UNIONISM 'NEW AUTOCRACY'

(Continued from page 1)

"There is a determined movement
throughout the land to assume con-
trol of all government functions in
behalf of a class," continued Senator
Frelinghuysen. "We have come to
a parting of the ways. This country
is not ready to be dictated to by a
hoard of aliens. Any citizen who
seeks to advance the interest of him-
self and his associates at the ex-
pense of the general public is not a
patriotic citizen. Sovietism means
class rule. We can not permit that
in America."

"Labor unionism should be upheld
for one primary principle, to obtain
and maintain justice for the man who
earns his bread by the sweat of his
brow; but when the power of organi-
zation is employed to impose injus-
tice against all other classes of so-
ciety the law of the land should be
invoked to prevent the abuse of
such power or laws enacted that will
do this."

"When labor defies law and order
through the power of its union it is
wounding its own death knell and
digging its own grave."

"There are thousands of law abid-
ing citizens members of these unions
who do not desire to strike. The ter-
rorism spread by the radicals and
lawless in these unions creates fear
for the safety of their homes."

"Labor has risen to a high degree,
but if, through improper influence
and disloyal leadership, the labor
group attempts to place its fetters
upon an unoffending public it must
be dealt with accordingly."

Senator Norris, republican, Ne-
braska, asked if the miners not in-
volved in the dispute would answer
the general strike call and several
senators declared the walkout un-
doubtedly would be nation-wide.

MARY PICKFORD TONIGHT
AT OREGON THEATER

Mary Pickford, familiarly known
as "America's Sweetheart," will ap-
pear upon the screen in her first
picture in several months at the O-
regon theatre tonight, when "Captain
Kid, Jr.," is shown. This is said to
be one of the most sprightly com-
edy-dramas in which Miss Pickford
has ever been starred, and the Pick-
ford fans are promised a rare treat.

As the little Scotch book shop girl
who leads the search for hidden
treasure, Aircraft star has a role for
which she is unusually well fitted.
A parrot contributes some of the
best laughs one can possibly find up-
on the screen today, and Victor Po-
tel as Sam, the "constable," assists
the dainty star in making "Captain
Kid, Jr.," one of the best gloom
chasers produced in months. Frances
Marion, the scenarist, has provided
a flawless continuity, which William
D. Taylor has made into a regular
gem of a photoplay. The cast ap-
pearing in support of the star is a
notable one, containing such well
known names as Douglas MacLean,
leading man; Spottiswoode Aitken,
Robert Gordon, Winter Hall, Marcia
Manon, Victor Potel, Mrs. Moore,
William Hutcherson and Clarence
Geldhart.

A Bray pictograph is also being
shown. This program will be run
tonight, tomorrow afternoon and
evening.

Except for 12,000 Ainos in the
wilder of Yezo, the Japanese are one
race.

Give the world
the once over

LISTEN, fellows, to some
straight talk. Many
a man when he gets
to be 40, misses some-
thing. He may have
lots of money, and a fine
family but—

He never "got out and
saw things". After he
gets settled down, it's too
late.

Every man wants to see
the world. No man likes
to stand still all his life.
The best time to TRAVEL
is when you're young and
lively—right NOW!

Right NOW your Uncle Sam
is calling. "Shove off!" He wants
men for his Navy. He's inviting
you! It's the biggest chance
you'll ever get to give the world
the once over!

Shove off! - Join the
U. S. NavyDONT WAIT FOR THE
COLLECTOR TO CALL

This is Roosevelt Memorial fund
week. Josephine county's quota for
this fund has been placed at \$210
and it is urged by T. M. Stott, coun-
ty chairman, that all contributions
to the fund be turned in this week,
as next Monday is the anniversary
of Roosevelt's birthday and the total
amount is supposed to be collected
by that date.

Owing to other business Mr. Stott
will not have much time to devote
to make collections, therefore it is
urged that all those who wish to
have their names placed in the na-
tional monument to be erected, fill
out the coupon as printed in the
Courier and mail it together with
their contribution, to Mr. Stott, who
will issue a receipt for the amount.

If you do not wish to bother with
the coupon, just mail a check to Mr.
Stott, or leave the amount at any of
the Grants Pass banks. Do not
wait for a collector, but make your
contribution at once.

SENATORS BLAME RETAILERS

Washington, Oct. 22.—Prices
charged by retailers for foodstuffs
here frequently are from 200 to 3000
per cent in excess of wholesale prices
a senate investigating committee de-
clared today in its report.

"It would seem," said the report,
"that the retail meat dealers receive
a greater per cent of profit than the
farmer, livestock raiser, buyer, rail-
roads, commission and cold storage
men and packers combined."

COUNTY SUNDAY SCHOOL
CONVENTION NEXT WEEK

A county Sunday school institute
will be held in Grants Pass in the
Baptist church on Friday, Saturday
and Sunday, October 31 to November
2. Harold Humbert and Miss Georgia
Parker, both of Portland, will be in
attendance and on Friday evening
J. J. Handsaker, of Portland, will
present moving pictures sent from
New York City by the American com-
mittee for relief in the near east.
These are scenes of the relief expedi-
tion, the camp at Port Said, and the
airplane flight over the city of Jeru-
salem.

Mr. Humbert will be leader of con-
ferences for young people, while
Miss Parker will give help to teach-
ers of children. Rev. John W. Hoyt
of Ashland, who is especially pre-
pared to give suggestions in the
adult department, will also be pres-
ent.

There will be a time given for
each school in the county to have
its say, and there will be a question
box department.

Free room and breakfast will be
given the out-of-town visitors.

Burned With Asphalt—

M. H. Wagner was painfully burn-
ed about the face today, when some
hot asphalt splashed upon him as he
was working on the new paving on
South Sixth street. He was taken to
Dr. Loughridge's office for treat-
ment.
