That call meant life or death to many of our brave boys over in France. It was the call for action in the greatest adventure the world has even known.

And even in peace times, there still comes the call of "Over the Top," a challenge to get out into action in the great affairs of life. A savings account at our bank will prove a great help to you when the latter call comes. You desire to succeed, to be in the front ranks, to win a name and a fortune. Our bank will help boost you along. Enlist with us and we will go over the top together.
