MAKE CHRISTMAS GIFT OF THE HOME PAPER

No more acceptable Christmas present than a year's subscription to the old home paper for friends who have moved away can be made for the same money, says the O. A. C. press service. Unlike most other friends it never forgets to write, but 52 times a year it spreads a feast of news, rich in memory-stirring items that form the best possible substitute to a visit "back home." Call on or write the editor today," advises the college editor.
