High Cost of Eggs

Don't say "high cost of eggs" to us. We know they are from 70 to 80 cents a dozen, but we told you that they would be high and advised you to put them down in water glass when they were 35 cents. It costs about two cents a dozen to put them down.

But we do feel sorry for the children who are not having eggs to eat now, because their parents did not take our advice, for we know how essential eggs are in making a strong for a 50-pound sack of flour.

What a Heap of Happiness it Would Bring to Grants Pass Homes

Hard to do housework with an aching back. Brings you hours of misery at leisure or at work.

Backache pains often come from weak kidneys. "I would save much needless woe. Doan's Kidney Pills are for weak kidneys. Ask your neighbor! Read what a Grants Pass citizen says:

Mrs. T. E. Wallace, 709 S. Fifth St., says: "My kidneys acted very irregularly. My back felt so weak and sore I could hardly get about my work. When I bent over to pick up something I got a sharp pain across my kidneys like a knife sticking me. When I had these attacks I couldn't keep from screaming. I never had anything cause me so much misery. I finally began taking Doan's Kidney Pills and the first box helped me wonderfully. My kidneys acted more regularly and the misery in my back let up. I took three boxes of Doan's in all and they permanently cured me."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Wallace had. Foster-McBurn Co., Mfgs., Buffalo, N. Y.

For That Cough After the "Flu"

Lingering colds and coughs that follow the grip or influenza are difficult to overcome, but many such sufferers have found relief in Foley's Honey and Tar.

Says It Is Worth \$50.00 a Bottle. Wm. Barnes, San Antonio, Tex., writes: "Foley's Honey and Tar is undoubtedly the best cough remedy in the world. I know this is so because I found it to be so. Actual experience taught me. It has been worth \$50.00 a bottle to me. Early in the season I had the 'flu,' which left me weak and with a persistent cough. The cough hung on and I became much worried about it. Someone advised me to try Foley's Honey and Tar and I began taking it that night. I have now completely recovered and don't cough at all."

Is It Wired For Electricity?

Before renting or buying a home be sure to ask this question: "Is it wired for electric service?" The home without electric service is comparable to the old horse-drawn street car; it is far behind the times—sadly lacking in modern conveniences and comfort.

Electricity for Cooking, Hot Water Heating and Lighting!

Electricity does all these necessary things, does them economically and well, without trouble, dirt or delay. Think of the score of times during every 24-hour period when you actually need fuel for cooking, for hot water, for bringing light into your home. Then decide if you can afford to be without it—if the house equipped with electric service isn't worth more than the home without it.
