

There Will Be a Chance

"Prices are higher than a cat's back" said old St. Chestnut, but even a cat's back can't stay up forever.

And that's so. There will be a change. We are all expecting it. Here's hoping it doesn't come with a crash. Careful people are preparing for it. Have you a little account piling up at the bank? Are you saving something during these days of high prices? If not, what will become of you when things begin to tumble? Isn't this worth thinking about? We invite you to open an account with us. We will guard your funds carefully.

CRESCENT BAKING POWDER

It is not only a thrift purchase in point of price, but by reason of quality.

Crescent rises in the oven, that is why cakes and biscuit dough may be mixed ready to slip into the oven when convenient. The leavening strength is not developed until heat is applied; the dough will rise to perfection even if baking is delayed for hours.
